## THE SERVICES OF UNION STATION

Union Station, a centralized service center, is located outside the Penick Administrative Center. The cross-trained team members of Union Station are ready to assist you in a variety of areas including admissions, academic records, financial aid and student accounts.

Services related to finances include check cashing, check on the status of or make payment toward your student account, refund requests & tuition waiver forms, pickup of workship and student payroll checks, purchase postage stamps, receive assistance in completing financial aid forms, and sign for loans and financial aid awards.

Services related to academic records include drop/add of classes, registration for classes during open registration periods, check on open/closed status of classes, request verification of enrollment, request a transcript, receive information on credit hours earned and transferred, file a change of name or address, and apply for graduation.

Pick up information for a friend interested in attending Union University from Union Station.

The easy thing to remember: Ask Union Station first!

## FUTURE PUBLICATIONS

Summer 2002 Schedules will be available in final form before the Spring 2002 Semester begins to allow adjustments in Spring schedules that may be dictated by Summer offerings. No proposed form of the Summer Schedule will be published.

Fall 2002 and proposed schedules for 2003 will be published approximately two weeks before Priority Registration for Summer and Fall 2002 opens April 24, 2002.

## **ACADEMIC POLICIES REGARDING REGISTRATION**

### **Minimum and Maximum Credit Hour Loads**

To be classified as a full-time student during a Fall or Spring Semester, a student must carry a credit hour load of 12 or more hours; for full-time status in Winter Term or each of the Summer Terms a student must carry a minimum of 3 hours. Audited courses do not apply toward minimum full-time status. Full-time status can be important in terms of the awarding of Financial Aid and deferring previous student loans and in matters of insurance coverage.

The maximum hours recommended for any student is 18 for a Fall or Spring Semester, 9 for accelerated 8-week sessions and 7 for any of the three 4-hour terms. However, a student who is highly motivated and has a 3.0 GPA on the 4.0 scale may petition the Registrar with the consent of his/her faculty advisor for permission to enroll for more than the suggested maximum.

### **Concurrent Enrollment**

Any concurrent enrollment with another college or university must be approved in advance in writing by the Registrar.

### **Types of Enrollment: Audit vs. Credit**

Students will be allowed to audit courses for personal enrichment on a space available basis. Audited courses do not apply toward graduation nor do they apply toward minimum full-time status. Enrollment is considered to be for academic credit unless specified by the student as enrollment for audit; audit should be noted on the registration or add form and verbally communicated at the time of registration. Registration must occur during the published registration period for the course.

A student auditing a course may process drop/add forms to earn credit in the course no later than the "Last Day to Add a Class" for the semester/term. A student enrolled in a course for credit may change to audit in accordance with the period allowed in the semester/term to drop a class. The "Last Day to Add a Class" and the "Last to Drop a Class" are noted in the academic calendar for the appropriate semester/term.

### **Types of Enrollment: Course Repeat**

A student may repeat a course previously attempted at Union University to improve the grade in the course and his/her cumulative GPA. Notation of the repeat should be indicated on the registration form or add form. If omitted at registration, the repeat coding may be added by notification of Union Station or the Academic Center.

The most recent grade earned in the course is the grade calculated in the cumulative GPA and in consideration for graduation.

### **Change of Classes/Drop & Add**

A student making a schedule change, course or meeting time, or changing enrollment type, credit or audit, after completing registration will:

1. Obtain proper forms from Union Station
2. Secure the approving signature of his/her faculty advisor.
3. Present the forms to Union Station for the schedule change within the allotted time frame; refer to the appropriate calendar for "Last Day to Add a Class" and "Last Day to Drop a Class."

A change fee of \$10 will be charged for any schedule change after the start of classes. Exceptions will be made by the Registrar in instances beyond the student's control.

### **Cross-Campus Agreement**

Union, Lambuth and Freed-Hardeman Universities have developed a cross-registration agreement to allow students pursuing an undergraduate degree at one to enroll in a course at any of them. Union students must obtain permission from their faculty advisor and the Registrar. Additional information is available in the Academic Center.
