Are You a Rising Senior?

Union University's Rising Senior Program is designed for outstanding high school students who have completed their junior year and want to "try out" college. Offered during the month of June, this intensive summer program allows students the opportunity to earn up to 7 semester hours of college credit at a fraction of normal tuition costs, as well as participate in activities ranging from community mission outreach to movie nights to student development seminars.

While at Union University, you will experience a strong sense of community and a commitment to academic excellence. You will study and live with students who desire to deepen their understanding of what it means to live and learn as a Christian.
