available. If cost seems like a barrier for you, you'll be encouraged to see our financial aid counselors. Financial aid is available for degree seeking students enrolled as at least half-time students in traditional programs. Students in non-traditional programs are only eligible for federal aid. All hours satisfactorily completed with a grade of “C” or above will be transferred.

Courses transferred to Union University transfer on the level on which they were taught, regardless of their parallel at Union. Therefore, sophomore level courses at Jackson State transfer as sophomore level courses at Union.

Concerning Art Studio Courses:
 Transfer of studio classes is determined from portfolio review by art faculty. Students must demonstrate competency for the course they wish to transfer.

Concerning Foreign Language Courses: Foreign Language is transferred in yearly increments. The student who presents one semester will be placed by proficiency level; credit may be awarded for the transfer semester based on proficiency.

Concerning Applied Music Courses: Placement in applied instruction for music major/minor is determined by music faculty.
