We are excited that you are considering transferring to Union University from Northwest Mississippi Community College!

You will find that Union is an excellent place to build on the foundation you have established at NWMCC. Our approach to education provides for personal attention, strong values and an opportunity to develop your talents in a way that sets you up for success in life. You will work hard at Union. The educational program is characterized by rigorous academic pursuit. But the rewards for that work will be visible and long lasting. Your degree from Union will mean something to employers because they will know that you worked hard to earn it.

Union University attracts students who want to be leaders in their fields, and who want to make a difference in the world for the cause of Christ. We see each student as a future leader who can reshape the world and influence others. This is only possible because of our commitment to excellence. You will be exposed to excellence at every level and helped to achieve it.

Union University is also committed to people. You are the reason we exist and personal relationships are treasured. Your professors will know you by name and be there as mentors and academic counselors. They will offer you direct guidance and encouragement

Location: We are located on a 290 acre campus in Jackson, Tennessee, at the northwest corner of Interstate 40 and Highway 45 By-Pass.

Financial Aid: Each graduate of NWMCC with a 3.0 GPA or higher is awarded a transfer scholarship of \$3,000-\$6,000 per year depending on GPA. Grants, loans, and workshops are also

available. If cost seems like a barrier for you, you'll be encouraged to see our financial aid counselors. Financial aid is available for degree seeking students enrolled as at least half-time students in traditional programs. Students in non-traditional programs are only eligible for federal aid. Please go to the web or contact us so we may help you complete this process.

Applying to Union: The first step in this exciting journey is applying. Applications may be submitted online through our web site at www.uu.edu. Or you may contact the Office of Undergraduate Admissions at 1-800-33-UNION or locally at 731-661-5100 and we will be happy to send you a copy of the application that you can return by mail. You will also need to have official copies of your transcripts sent from each college you have attended. From there we will determine your transfer credits and help you plan a course schedule designed to move you toward degree completion.

UNION wants to make your transfer as easy as possible. The faculty and staff at Union University are ready and willing to help you in this time of transition. And, these Transfer Guidelines have been developed to make the process a seamless one. The following table shows how your hours at NWMCC will transfer to Union. The equivalent Union course is listed next to your NWMCC courses. A grade of "D" will be accepted only upon completion of the Associates Degree.

If you have any questions, please do not hesitate to call us at 1-800-33-UNION. Our Transfer Coordinator will efficiently and effectively guide you through this transfer process.

NOTES:

Courses shown in the UU Core Substitution column meet a Union University course requirement as indicated. Those students seeking teacher licensure may not be able to exercise all substitutions and should contact the Director of Teacher Education for further information.

All hours satisfactorily completed will be transferred.

Courses transferred to Union University transfer on the level on which they were taught, regardless of their parallel at Union. Therefore, sophomore level courses at Northwest Mississippi transfer as sophomore level courses at Union, even though they may meet requirements of upper-level courses.

Concerning Art Studio Courses:

Transfer credit for studio classes is determined from portfolio review by art faculty. Students must demonstrate academic competency for the particular course they wish to transfer.

Concerning Foreign Language Courses: Foreign Language is transferred in yearly increments. The student who presents one semester will be placed by proficiency level; credit may be awarded for the transfer semester based on proficiency.

Concerning Applied Music Courses: Placement in applied instruction for music major/minor is determined by music faculty.

Graduates holding LPN Licensure should contact Union's School of Nursing concerning the LPN to RN Bridge Program.
