To all former Union University baseball players:

We hope this letter finds each of you doing well. Union University baseball has experienced many great moments over the long history of the program. From the World Series third place finish in 1983 to the numerous conference titles won to the many players that have played professionally after leaving Union.

The excitement for Union baseball has once again been pushed to a high level of excitement in each of the past two seasons. Union won the TranSouth Conference Title in 2008 and has made back-to-back appearances in the NAIA National Tournament Opening Round.

The current coaches and players would like to invite you to return to Union and see the many exciting things going on, not only with baseball, but with the entire university.

The purpose of this letter is to let you know about an opportunity for you to return to Union and take part in the Union baseball alumni game.

The alumni game will be held on Saturday, October 9, 2010 at Union’s Fesmire Field. On-field batting practice will be held at 9:30 a.m. Bring your children along and let them hit with you during batting practice. The game will begin around 11:00 a.m. Food will be served for you and your family following the game.

If you wish to attend, please RSVP by contacting the Union baseball office. Please let us know a few things when you contact us: (1) how many in your family will be coming, (2) your T-shirt size, and (3) the years you played at Union.

We also would like to mention the Union baseball team fundraiser golf scramble that will take place on September 25. Put together your own four-man team and help the Union baseball team raise money for their upcoming season. If you cannot participate in the golf scramble, you can still contribute with hole sponsorships or donations.

For more information on these two events, or anything else about Union athletics, please visit the website at www.uu.edu/athletics. Thank you in advance for your support of the Union University Baseball Program.
