WOMEN'S SOCCER
JUNIOR DAY
April 17, 2009

GIVE US ONE DAY

What will your college experience be like? We understand that life at college is more than just classes and soccer. Union is dedicated to academic and athletic excellence, but that is just the beginning. We want you to grow in ways that you never imagined possible. The faculty and staff at Union are extremely dedicated to the shaping of students' lives. Let us show you how. Come see what Union has to offer!

EXPERIENCE PERSONAL ATTENTION

Union's faculty, staff and athletic coaches are committed to the development of each student. Spending time with students both inside and outside the classroom helps to develop personal, lifelong relationships. For example, 92% of our 2008 seniors reported that they had been a guest in a professor's home frequently or occasionally. This is compared to 58% at other religious colleges and 52% at other private colleges!

PROGRAMS OF STUDY

Union has over 100 programs of study to completely prepare you for what ever career you shose to pursue. And with an 11:1 student-teacher ratio, you will get the personal attention that every student deserves. Here are a few of our most popular degree programs.
