## Expenses

The registration of a student signifies an agreement by the student and his/her parents to fulfill the related financial obligations to the end of the semester in which the student is registered. The University expects that every student will care for his/her account and believes that responsibility for handling the student account is a part of the educational experience as a whole.

All financial information is subject to change without notice.

### Expenses Are Due and Payable as Follows:

All expenses for the semester, after subtraction of financial aid and allocations, are due and payable before the beginning of classes for that semester.

Charges for class changes, dormitory damages, and cleaning costs will be billed in a separate statement. Failure of a student to keep payments current will make him/her liable for exclusion from class attendance and from the University. All charges must be paid before the student may (1) receive a diploma or academic transcript, or (2) enroll for a subsequent term. Students preregistering for a subsequent semester must have their current account paid in full.

Loans, which are insured by the state or federal government, may be available at your local bank. The University participates in the Supplemental Educational Opportunity Grant Fund and the Federal Perkins Loan Program. The University accepts payment by cash, check, VISA, MasterCard, Discover Card or a combination of these methods. Payment plans are available if needed, and may be established through the Office of Business Services. Please contact an admissions counselor or the Office of Business Services for details on payment plans. A 1.5% service charge will be assessed monthly on all outstanding student account balances.

## Tuition and Fees

Tuition for 15 credit hours is \$6,150 per semester for the Fall and Spring Semesters. Tuition for those enrolling for fewer than 17 hours will be \$410 per credit hour. Music majors taking 16 hours plus an ensemble may request a tuition waiver for the ensemble credit provided that credit is not applicable to their degree.

Tuition for the Winter Term and the Summer Terms is \$250 per semester hour of credit.

The Audit fee for any semester or term is \$110 per audit hour. Audit does not apply toward graduation.

These charges cover the cost of matriculation and class instruction. The Student Services Fee covers a variety of university costs, including the basic medical fee, admission to many campus-sponsored events (including home athletic contests), post office box rental, student publications, graduation, computer lab fees, etc.

## Refunds

### A. Advance Deposits

A tuition deposit of \$200 is required after the student has been accepted for admission to reserve a place in class. This deposit applies totally to the tuition charges for the entering semester. A deposit of \$100 is charged for room reservation in all residence complexes. In case of cancellation, all of the tuition and residence complex deposit will be refunded if the cancellation and request is made in writing by **May 1** for the Fall semester, **November 15** for the Winter term, **December 1** for the Spring semester, and **May 1** for the Summer term. NO REFUND WILL BE GIVEN ON CANCELLATIONS MADE AFTER THESE DATES. If the student is not accepted for admission, all deposits will be refunded. If a student is graduating or moving out the residence complex permanently, notice must be received by the above dates to secure a refund of this deposit. Refunds will be made by crediting the student's account in the Office of Business Services.

B. A student withdrawing from all classes will be refunded tuition, housing charges, student services fee, course fees, and/or orientation fee according to the chart below. Refunds on cafeteria will be prorated to the end of the week in which the student withdraws. Students withdrawing due to disciplinary action will not receive a refund on housing charges.

### F. Regulations for refunds for all terms are as follows:

1. Students refusing to conform to the disciplinary rules of the university forfeit all claims for refunds.
2. All above rules and regulations put the responsibility on the student. He/she saves money and avoids misunderstanding by immediately seeing the Vice President for Business and Financial Services or the Assistant Vice President for Business and Financial Services.

#### G. Proration of financial assistance upon withdrawal

Institutional assistance awarded a student will be prorated as shown in the above schedule if the student withdraws. Scholarship funds received from sources outside the University will be used to satisfy any remaining balance a student may owe unless specified by the source to be returned in full or in part. Withdrawal occurring on or before the 60% period of enrollment, calculated using calendar days, will require a portion of Title IV funds awarded (Pell Grant, Supplemental Educational Opportunity Grant, Federal Perkins Loan, Federal Stafford Loan, Federal PLUS Loan, but not Federal Work Study) be returned in accordance with provisions of the Higher Education Amendments of 1998. This may result in the student owing a balance to Union University and/or to the Federal Government.

### How to Obtain a Credit of Institutional Charges

In order to obtain a credit of institutional charges, a student must notify Union Station in person or the Academic Center in writing of his/her desire to withdraw from the university, the reason for withdrawing, and indicate the last day which he attended class. This information will be recorded on a withdrawal record and passed on to the Office of Business Services and the Financial Aid Office for calculation of credit of institutional charges and adjustment of financial assistance.

### Equipment

Any University equipment such as musical instruments, athletic equipment, laboratory apparatus, etc., that may be made available for students' use is the responsibility of the student. Any damage or breakage, other than by normal use, will be charged to the student's account.

No equipment is to leave the campus, unless in care of the faculty member responsible for it.

### Policies and Practices Governing Student Financial Assistance

1. Recipients of financial assistance from the University are required to notify the Financial Aid Office of any other scholarship or loans extended to them from sources outside the university.
2. The following requirements must be met in order to continue receiving certain financial assistance:

**Presidential Scholarship**—maintain 3.25 following completion of Fall/Spring semesters of freshman year. Awards are for a maximum of 8 semesters.

**Other Academic Scholarships**—maintain 3.0 following completion of Fall/Spring semesters of freshman year. Awards are for a maximum of 8 semesters.

**Church Related Vocation Scholarship**—maintain 2.0 and comply with inservice requirements.

**Junior College Scholarship**—maintain 2.5 GPA for \$1000 scholarship; maintain 3.0 GPA for \$1250 or \$1500 scholarship. Awards are for a maximum of 4 semesters.

**Federal/State Grants and Loans**—Qualitative requirement: Achieve 1.5 GPA by end of first academic year, maintain 2.0 after completing second academic year. Quantitative requirement: Successfully complete a minimum of 67% of cumulative credit hours attempted. Maximum Time Frame: Students must complete degree program within 150% of the published length of the program. If a student loses eligibility for

federal funds due to failure to meet these standards, appeal may be made through the Financial Aid Office.

3. Award amount for Workship/Work Study is the amount a student may expect to earn during the academic year contingent upon actual placement in a job assignment and actual number of hours worked. Students must report to the Financial Aid Office upon arrival on campus for job assignment and clearance.
4. It is the policy of the University to disburse to the student's account one half of awards excluding Workship/Work Study per Fall/ Spring semester enrolled.
5. Original award amounts for federal and state grants assume the federal/state standard for full-time enrollment (12 credit hours per semester). Students enrolled in fewer than 12 hours per semester may have these award amounts adjusted as required by federal and state regulations.
6. Original award amounts for tuition-based award packages assume a minimum class load of 16 hours per semester. A student taking fewer than 16 hours per semester will have his/her award package adjusted/prorated according to actual number of hours enrolled.
7. Original award amounts for non-tuition-based institutional awards are predicated on the completion of a minimum of 15 credit hours per semester.
8. Any commitment of federal funds; Pell Grant, Supplemental Educational Opportunity Grant or Perkins Loan; or state funds, Tennessee Student Assistance Award, is contingent upon subsequent congressional or state appropriation and actual receipt of the funds by Union University.
9. Financial assistance will be adjusted upon withdrawal from all classes, in accordance with the Refund Policy of Union University, published in this *Catalogue*, and federal law. Examples of the calculation of the refund and/or return of financial assistance are available in the Financial Aid Office.
10. Any student receiving a Federal Perkins Loan or Federal Stafford Loan will be notified to schedule an appointment for a conference to discuss repayment of the loan prior to graduation or withdrawal from the University.
11. Financial need will be reevaluated each year and appropriate increase or decrease in the amount of assistance offered will be made. For the purpose of reevaluation, all students must submit a Reapplication for Financial Assistance to the Financial Aid Office no later than May 1. Students wishing to reapply for federal funds must also file the FAFSA or Renewal FAFSA. It is the student's responsibility to secure the necessary forms and apply by the deadline.
12. The Financial Aid Office reserves the right on behalf of the University to review and cancel an award at any time because of changes in financial, enrollment, or academic status; changes of academic program; or because of the recipient's failure to observe reasonable standards of citizenship.

### **Standards Of Satisfactory Academic Progress For Financial Aid Eligibility**

The Higher Education Act of 1965, as amended, mandates institutions of higher education to establish minimum standards of "satisfactory academic progress" for students receiving financial assistance. Consequently, students must make progress toward completing their degree or certificate each term the student is enrolled. These standards apply to the following financial aid programs: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (SEOG), Federal Work Study, Federal Perkins Loan, Federal Stafford Loan, Federal Parent Loan for Undergraduate Students (PLUS). These financial aid standards of academic progress are separate from, and in addition to, academic standards required by the University for continued enrollment.

The criteria used to determine academic progress for purposes of determining eligibility for federal financial aid are Cumulative Grade Point Average (CUM GPA), Cumu-

lative Completion Rate, and Maximum Time Frame for completion of educational objective.

### **Qualitative Requirement—Cumulative Grade Point Average**

Undergraduate students who have not yet completed two Fall/Spring semesters must have a minimum CUM GPA of 1.5. Students who fail to meet this standard may have a conditional period of one semester during which they may continue to receive aid in which they must earn a minimum 1.5 CUM GPA. Undergraduate students who have completed four semesters must have a 2.0 CUM GPA.

### **Quantitative Requirement - Completion Rate**

Students must successfully complete a minimum of 67% of cumulative credit hours attempted excluding transfer credits, audits, and testing credit. To successfully complete means to receive a final grade of A, B, C, D, or P.

### **Maximum Time Frame for Completion of Educational Objective**

Students must complete their degree program within 150% of the published length of their degree program. For example, pursuing a degree which requires 128 credit hours to graduate, a student could not receive financial aid beyond 192 credit hours attempted, including transfer hours, whether or not financial aid was received for these credit hours.

### **Incomplete Grades**

A grade of Incomplete will not be factored into calculating satisfactory academic progress until the grade is changed to a final grade.

### **Repeated Courses**

Repeated courses affect academic progress for financial aid purposes as follows:

GPA—Only the most recent grade counts in the student's GPA.

Completion Rate—Each time a course is repeated it will be counted as "attempted hours."

Maximum Time Frame—Each time a course is repeated it will be counted as "attempted hours."

### **Drop and Withdrawal from Classes**

A student's aid is adjusted whenever a class is dropped based on the remaining number of hours for which he is enrolled, therefore, dropping a class does not affect satisfactory academic progress. However, upon attendance in all classes, if the student then withdraws from all classes, those hours will be counted as credit hours attempted in future calculations of completion rate and maximum time frame.

### **Transfer Hours**

Transfer hours count only toward the overall maximum time frame calculation. Transfer hours have no effect upon the cumulative GPA or completion rate.

### **Students Readmitted to Union**

A student readmitted to Union whose prior academic record, including transfer records, who does not meet the standards for satisfactory progress will be eligible to receive financial aid for a conditional period of one semester. If at the end of the conditional period the student fails to regain satisfactory academic progress, he will not receive aid for a subsequent semester unless he regains satisfactory academic progress or is approved through the appeal process stated below.

### **Evaluation of Progress**

Standards used to measure progress must include all semesters and terms of the student's enrollment, including 4-week terms (Winter, Summer) and 8-week terms. Satisfactory progress for students in term-based programs will be evaluated at the end of each Fall/Spring Semester.

Students in non-term based programs will be evaluated at the end of each payment period. A payment period is the increment of time for which a disbursement of federal aid is made. Payment periods are determined in part by the date the student began the program.

A student who does not meet standards at the end of a semester who enrolls in the following short term will not be eligible to receive financial aid for that term. However, credit hours attempted and grades earned during the term could conceivably restore the student to satisfactory progress for the following semester. A student who wishes his progress to be reevaluated following a term should follow the procedures in "Reinstatement of Eligibility."

#### **Notification of Failure to Meet Satisfactory Academic Progress Standards**

At the end of each semester, if a student is not making satisfactory academic progress, the Financial Aid Office will inform the student by letter of this determination. Unless the student falls under a conditional period as described in this policy, the student will not be eligible to receive any federal financial aid from that point forward. He/She may appeal the decision and if approved may be awarded aid, or if his/her academic progress improves to again meet the standards, and he/she applies for reinstatement of eligibility, then aid may be awarded.

#### **Appeal Process**

Students who have lost eligibility for aid due to GPA or completion rate may appeal their case if extenuating circumstances prevented them from making satisfactory progress. Circumstances which are considered extenuating are those that are unusual and/or unforeseen at the beginning of the semester, such as serious illness or injury of the student, death or serious illness of a close relative, or other situations which were unexpected and beyond the student's control. Appeal is made by submitting a letter to the Director of Financial Aid describing the extenuating circumstances and indicating steps the student plans to take to improve his academic progress.

Students who have lost eligibility for aid for exceeding the 150% maximum time frame may appeal if they have changed their major since beginning attendance at Union. Appeal should be made in writing to the Director of Financial Aid and accompanied by documentation from the Academic Center showing the student's new major and the credit hours which will apply towards the new major. The student will be allowed to appeal on the basis of a change in major one time.

If the student who loses eligibility does not appeal or the appeal is not approved, he/she will not receive federal aid until he/she regains eligibility. Students will be informed in writing of the results of their appeal.

#### **Reinstatement of Eligibility**

A student who has lost eligibility for federal aid may regain eligibility by bringing his/her CUM GPA to the standard or in the case of insufficient completion rate, making up the deficient credit hours. When a student believes that he has regained eligibility, he/she should request in writing to the Financial Aid Office that eligibility be reinstated. This written request should be accompanied by a official copy of the student's most recent grades, or in the case of regaining eligibility for completion rate, a current academic transcript. The student will be notified in writing the results of this request.

#### **Missionary Dependent Scholarship**

As an indication of Union University's commitment to international missions and the International Mission Board (IMB) of the Southern Baptist Convention, and to enhance the University's positive and constructive relationship with the Southern Baptist Convention, the children of IMB missionaries who desire to attend Union University will be given the following consideration:

1. Union University will award a Missionary Dependent Scholarship to provide the balance of the cost of tuition up to 16 hours per semester after the student's payment to Union of the IMB's Post-Secondary Allowance (Margaret Fund) and after application of other institutional financial aid.
2. If the student qualifies for additional financial aid from Union, including federal or state aid, these funds will be expected to help satisfy the cost of tuition. If such additional funds exceed the cost of tuition at Union, they may be applied to other expenses at the University such as room, board and books. In such an event, no Missionary Dependent Scholarship would be awarded. If such financial aid is not available, the student will be responsible for his or her own expenses beyond the cost of tuition.
3. In no event will a student be funded beyond the actual costs incurred through tuition, room, board and book charges. If a student enrolls in less than 15 hours, the basis for the award, then the University will make a proportional reduction in the size of the scholarship to avoid overfunding.
4. Any student receiving the Missionary Dependent Scholarship may also receive a short-term scholarship for 6 semester hours per year, to be taken in Winter-Summer Terms. These short-term scholarships will provide the full cost of tuition for the term. Students wishing to receive such aid must apply to the Director of Financial Aid prior to the beginning of the abbreviated term for which aid is applicable.
5. Funds received by a student from Workshop employment or from Church Endowed Scholarships are exempt from the requirements of provisions 1 and 2 above, and may be applied toward room, board, or books at the student's direction.
6. A portion of the Missionary Dependent Scholarship, not to exceed 15% of the total value, may be awarded as a Union Service Grant.
7. Union University reserves the right to alter this policy at any time. However, should the terms of the Missionary Dependent Scholarship change during any academic year, all students currently receiving the Scholarship would be allowed to complete that academic year under the existing policy.
8. Each candidate for the Missionary Dependent Scholarship must annually provide documentation from the IMB that the student is a dependent of an IMB employee who qualifies for the IMB Post-Secondary Allowance.
9. The Missionary Dependent is required to attend an orientation session and culture class their initial Fall Semester of enrollment.

### **Veterans and Their Dependents**

Union University is approved by the Department of Veterans Affairs for all veterans and dependents of veterans who qualify. Check with the Academic Center as soon as possible after arriving at the campus.
