The Language Department provides a multifaceted, innovative language curriculum that enables students to develop high levels of proficiency in second language skills and cultural competency. Beginning and intermediate courses provide a strong foundation that allows students to continue to develop language skills and understand the principles of language acquisition. Advanced programs prepare students for a variety of careers or graduate study, including teaching English as a Second Language (TESL).

Majors and Minors

The Department offers majors in French and Spanish. The student may select one of three tracks. All 37 hours are to be in one language unless the student has received prior written permission from the department. The Department also offers a major in Teaching English as a Second Language, offered with and without teacher licensure.

A minimum of 15 hours, including 490, of the major must be earned under the direct supervision of the faculty of Union University. University policy requires that 15 upper level hours be earned through Union University without specifics to direct supervision of faculty; this policy enhances, rather than replaces, the university policy.

Special Study and Independent Study courses (395/495*) of appropriate topics may be applied to the majors with departmental approval. However, no more than 9 hours of Special Study (395) and no more than 9 hours of Independent Study (495) may be applied toward graduation requirements.

Students are strongly urged to complete the immersion experience prior to their last semester at Union and to enroll in at least one language course the final semester or a Study Abroad program in which a minimum of 3 hours of course credit in the target language is earned. Immersion experiences must be approved by the Language Department prior to travel.
