Our Identity

Union University is an academic community, affiliated with the Tennessee Baptist Convention, equipping persons to think Christianly and serve faithfully in ways consistent with its core values of being Christ-centered, people-focused, excellence-driven, and future-directed. These values shape its identity as an institution which prioritizes liberal arts based undergraduate education enhanced by professional and graduate programs. The academic community is composed of quality faculty, staff, and students working together in a caring, grace-filled environment conducive to the development of character, servant leadership, and cultural engagement.

Our Core Values

• **Excellence-Driven:** We believe that excellence, not mere compliance, is the goal of our teaching, our research, and our service. We are not motivated to excellence out of pride but out of a desire to do all things for God’s glory because He cares about our work and wants to be involved in everything we do. We will not be satisfied with mediocrity, but will pursue excellence in all things. This means our truth claims carry with them the challenge of living out that truth in the minutes and hours of our daily life. Thus we will pursue excellence, without arrogance.

• **Christ-Centered:** A cohering core value of our guiding vision is a call to faith, a call to be Christ centered in all that we are and in all that we do. We will seek to build a Christian liberal arts based community where men and women can be introduced to an understanding and appreciation of God, His creation and grace, and to humanity’s place of privilege and responsibility in this world. We will seek to establish all aspects of life and learning on the Word of God, leading to a firm commitment to Christ and His Kingdom. To be a Christ-centered institution calls for us to establish the priority of worship and service in the Christian life while seeking to develop a generation of students who can be agents of reconciliation to a factious church in a hurting and broken world. This commitment calls for all faculty and staff to integrate Christian faith in all learning and doing, based on the supposition that all truth is God’s truth and that there is no contradiction between God’s truth made known to us in Holy Scripture and that which is revealed to us through creation and natural revelation.

• **People-Focused:** A third pillar on which we will build our common commitments is the core value of being people focused. At the heart of our commitment to being people focused is the visible demonstration of valuing one another. We will give honor to one another through our words and actions, and by committing to each person’s success. We therefore jointly commit ourselves to the success of Union University.

• **Future-Directed:** We will seek to maximize the windows of opportunity the Lord has presented to us to the greatest degree that resources allow. All of our resources and efforts must, by God’s grace, be maximized to fulfill our common mission. A commitment to being future directed means we want to have a short-term focus and a long term view. We want to involve ourselves in efforts that prepare us effectively to impact the world of the 21st Century.

Our Mission

Union University provides Christ-centered education that promotes excellence and character development in service to Church and society.

Our History

Union University is an heir of three antebellum Tennessee schools—West Tennessee College and its predecessor, Jackson Male Academy, both located at Jackson, and of Union University, located at Murfreesboro—and it is the inheritor of another college in 1927, Hall-Moody Junior College of Martin, Tennessee.

Jackson Male Academy, founded in 1823 shortly after the opening of West Tennessee for settlement, was chartered by the legislature in 1825, making it the oldest school currently affiliated with Southern Baptist life. West Tennessee College originated in the mid-1840s when supporters of the Academy secured a charter for a college and received an endowment from the state to come from the sale of public lands. Under its charter, the property rights and governance of the Jackson Male Academy were vested in the trustees of the College. The College offered three degrees—bachelor of arts, bachelor of philosophy, and master of arts—and had four departments: Moral Philosophy, Languages, Mathematics, and Natural Philosophy and Chemistry. West Tennessee College continued until 1874, when at a time of depressed economic conditions, the trustees offered the College’s buildings, grounds, and endowment to Tennessee Baptists in the hopes of attracting a southwestern regional university planned by the state’s Baptist leaders.

Meanwhile, after years of discussion and the raising of an endowment, the Baptists of Middle Tennessee (there were three separate conventions in Tennessee at that time) in 1848 established Union University at Murfreesboro, near the geographical center of the state. Union University came upon hard times when in 1859 its highly respected president, Dr. Eaton, died and when during the Civil War its campus was badly damaged. It reopened in 1868 only to close again in 1873, largely because of its financial condition and an epidemic of cholera.

Southwestern Baptist University, the immediate predecessor of the present Union University, originated because of a desire by Tennessee Baptists, who still had a separate convention for each of the state’s three Grand Divisions, for greater unification. Education became the core issue around which such unification was promoted. Committees of the three conventions met jointly in Humboldt in 1873 and issued a resolution supporting the establishment of a first-class regional university. An Educational Convention met in Murfreesboro in 1874, and following that
a committee was appointed to select a location for the proposed university. The committee recommended the acceptance of the offer made by the citizens of Jackson to assume ownership of West Tennessee College.

In September 1874, the new institution opened at Jackson as an academy, and in 1875 it was chartered as Southwestern Baptist University. In 1907, Dr. T. T. Eaton, a trustee at Southwestern from its beginning, bequeathed his 6,000 volume library to the college. He was a former professor at Union University at Murfreesboro, where his father, Dr. Joseph H. Eaton, had been president. Shortly thereafter the name of Southwestern Baptist University was changed to Union University to honor the Eatons and others from Union at Murfreesboro who had made a major impact on Southwestern as faculty, administrators, trustees, and contributors. In a further move to unify its educational efforts, the Tennessee Baptist Convention in 1923 secured a new charter which vested all rights, authority, and property of Union University in the Convention, including the election of the University’s trustees. Two years later, the Convention was able to consolidate Hall-Moody Junior College at Martin (1900-1927) with Union University. During the 1920s, Union discontinued its graduate program, its Law Department, and its high school and added a bachelor of music degree program.

After a major fire in 1912, several new buildings were constructed, including the centerpiece of the campus for the next 60 years, Barton Hall. In 1948 the Southern Association of Colleges and Schools granted Union University its original accreditation. In 1962, at the request of local physicians, Union developed a nursing program with the assistance of Jackson-Madison County General Hospital.

Because of an aging and landlocked campus, Union, in 1975, moved from near downtown to a new campus located along Highway 45-Bypass in north Jackson. During the administrations of President Robert Craig (1967-85) and President Hyran Barefoot (1987-1996), enrollment increased from less than 1,000 students to over 2,000; the multi-purpose Penick Academic Complex was enlarged several times; many additional housing units were erected; and the Blasingame Academic Complex (1986) and the Hyran E. Barefoot Student Union Building (1994) were constructed. From the early 1950’s to the early 1970’s, Union operated an Extension Center in the Memphis area. From 1987-95, Union offered the degree completion program leading to the Bachelor of Science in Nursing (RN to BSN track) in Memphis. There were over 300 graduates of this program.

When David S. Dockery was elected as the fifteenth president of Union University in December 1995, he brought with him a compelling vision to build on a great tradition while taking Union to the next level of regional and national prominence in Christian higher education. The progress that has been made during this time has been remarkable: annual non-duplicating headcount increased from 2200 (in 1996) to more than 3600 (in 2005); significantly increased giving to Union, including twelve of the largest commitments in Union history; instituted three five-year strategic plans; completed construction of two residence halls, the Miller Tower, Jennings Hall, Hammons Hall, and new Fesmire athletic facilities; launched the $110 million comprehensive “Building a Future” campaign (now at $80 million); renewed commitment to scholarship and research among Union faculty as a part of the establishment of the Center for Faculty Development; added new undergraduate majors in political science, physics, theology, digital media studies, church history, ethics, sports management, sports medicine, engineering; and graduate programs in education (M.Ed., Ed.S., and Ed.D.), nursing (MSN with tracks in education, administration, and nurse anesthesia), and intercultural studies (MAIS); SACS Level V accreditation was achieved; programs were added in undergraduate research; began LIFE group programs, student retention programs, student mission involvement, giftedness assessment program for freshman students; established an extension campus in Germantown, TN, which now has almost 800 students; established the Carl F.H. Henry Center for Christian Leadership; established the Charles Colson Chair for Faith and Culture; established highly successful annual Scholarship Banquet (1997-2005); and achieved top tier recognition in U.S. News and World Report and other important listings.

In many respects, Union University is in the strongest position in its history. For example, the University has enjoyed steady enrollment growth for a number of years, as indicated below:

![Union University Annual Fall Enrollment](image)

Another indicator of the University’s health and vitality is the growth in the number of students completing programs at Union. As indicated below, this past year over 800 students graduated from Union, a 107% increase over the 96-97 school year:

Key enrollment and financial indicators are monitored by University officials regularly to determine trends and to provide data for critical decision-making and analysis, including:

At its December, 2004 Board meeting, the University trustees approved a new strategic plan, “Union 2010: A Vision for Excellence.” The plan outlines goals and provides direction for the University for the next five years.

Our Statement of Faith

1. **The Scriptures.** The Scriptures of the Old and New Testament were given by inspiration of God, and are the only sufficient, certain and authoritative rule of all saving knowledge, faith, and obedience.

2. **God.** There is but one God, the Maker, Preserver and Ruler of all things, having in and of Himself, all perfections, being infinite in them all; and to Him all creatures owe the highest love, reverence and obedience. He exists eternally in three persons: Father, Son, and Holy Spirit each with distinct personal attributes, but without division of nature, essence or being. God ordains or permits all things that come to pass, and perpetually upholds, directs and governs all creatures and all events; yet so as not to destroy the free will and responsibility of intelligent creatures.

3. **Humankind.** God originally created humankind in His image, and free from sin; but through the temptation of Satan, they transgressed the command of God, and fell from their original righteousness, whereby all humans have inherited a sinful nature that is opposed to God, and are thus under condemnation. As soon as they are capable of moral action, they become actual transgressors.

4. **Jesus Christ.** The second person of the Trinity is the eternal Son of God. In His incarnation Jesus Christ was conceived by the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself human nature, yet without sin. He honored the divine law by His personal obedience, and by His substitutionary death on the cross He made provision for our redemption from sin. He was buried and rose again the third day, and ascended to His Father, at whose right hand He lives to make intercession for His people. He is the only Mediator, the Prophet, Priest and King of the Church, and Sovereign of the universe.

5. **Holy Spirit.** The Holy Spirit is the Spirit of God, fully divine, who exalts Jesus Christ. The Spirit convicts men and women of sin, of righteousness, and judgment, enabling them to understand the truth. He calls men and women to the Savior, and brings about regeneration, which is a renewal of heart and nature.

6. **Salvation.** Salvation involves the redemption of the whole person, and is offered freely to all who believe in Jesus Christ as Lord and Savior; accepting and trusting in Him alone for justification and eternal life. Justification is God’s gracious declaration of righteousness of sinners, who believe in Christ, from all sin, through the satisfaction that Christ has made. Believers are also sanctified by God’s Word and Spirit dwelling in them. Sanctification is the process of progressing toward moral and spiritual maturity, enabled by the presence and power of the Holy Spirit. Those who are accepted in Christ and sanctified by the Holy Spirit will never totally nor finally fall away from the state of grace, but shall persevere to the end, and be kept by the power of God through faith unto salvation.

7. **The Church.** The Lord Jesus Christ is the Head of the Church, which is composed of all true followers of Christ, and in Him is invested supremely all power for its government. Christians are to associate themselves with local churches; and to each church is given the authority to administer order, to carry out ministry, to worship, and to practice discipline.

8. **Last Things.** The bodies of humans after death return to dust, but their spirits return immediately to God—the righteous to rest with Him; the wicked to be reserved under darkness to the judgment. God in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth. At the last day, the bodies of all the dead, both just and unjust, will be raised. God has appointed a day, when He will judge the world by Jesus Christ, when all people shall receive according to their deeds; the wicked shall go into everlasting punishment; the righteous, into everlasting life.

The Campus

The uniqueness of the Union University campus, located on U.S. Highway 45 By-Pass and Union University Drive in Northwest Jackson, is related to the academic facilities and student housing. Union’s campus is designed with the student as its axis. All facilities, programs, and personnel are interrelated in an attempt to meet the needs of students.

In addition to the main campus in Jackson, Union University opened a second campus in the Memphis suburb of Germantown, Tennessee in 1997. Because of the rapid growth of the campus, the faculty and staff offices, classrooms and computer lab facilities moved to a new location in June 2001. Continued demands for growth and expansion of programs warranted a renovation in 2003 to include additional nursing labs, classrooms, conference rooms and offices. Union also has an off-campus site in San Francisco, California.

A detailed description of each building, as well as the services available is presented in the Campus Life Handbook and at www.uu.edu/studentservices.

Graduate Studies

All programs and objectives in Graduate Studies at Union University derive from the statement of Mission of Union University. Accordingly, Graduate Studies seeks to provide students with a quality educational experience in a Christian university environment. Specifically, Union expects graduate students to:

- Demonstrate within their disciplines advanced knowledge and skills.
- Display competency in critical evaluation of issues, trends and methodologies.
- Demonstrate the ability to apply research that extends the body of knowledge in the field.
- Enhance their ethical decision-making ability through an academic environment integrated with a Christian faith.
- Build intellectual and moral knowledge to cope with a pluralistic world and better serve their communities, businesses and schools.

Graduate Studies seeks to reflect the Core Values of Union University in academics, Christian values, development of the whole person and personal attention to student needs. Its goals are to cultivate a Christian academic community which is excellence-driven, Christ-centered, people-focused and future-directed.

Graduate Governance and Admissions

Eight graduate programs currently exist at Union University: the M.B.A., administered by the McAfee School of Business Administration; the M.A.Ed., the M.Ed., the Ed.S. and the Ed.D. degrees administered by the College of Education and Human Studies; the M.S.N., administered by the School of Nursing; and the M.A.I.S., administered by the Institute of International and Intercultural Studies; and the M.C.S., administered by the School of Christian Studies.

The Master of Business Administration degree program is administered by the M.B.A. Director and by the Dean, McAfee School of Business Administration. The Master of Arts in Education, the Master of Education, the Education Specialist and the Education Doctorate degree programs are administered by Program Directors and the Dean, College of Education and Human Studies. The Master of Science in Nursing is administered by the M.S.N. Director and the Dean of the School of Nursing. The Master of Arts in Intercultural Studies is administered by the Associate Provost for International and Intercultural Studies in collaboration with the MAIS Advisory Council and the Academic Council comprised of all University deans. The Master of Christian Studies is governed by the M.C.S. Director and the Dean of the School of Christian Studies. The Greater Faculty is responsible for approval of curriculum and graduate program policies. The Faculty considers recommendations from the University Curriculum Committee (UCC), which is responsible for examining graduate programs, course offerings, and policies relative to graduate studies at Union. Task teams may be created by the Deans of the Schools/Colleges to consider and make recommendations to the UCC. Thus, significant curriculum and policy changes and additions proceed from the Directors (and/or task teams) to the UCC to the Faculty. The graduate governance structure at Union University is completed by the Provost, the President, and the Board of Trustees.

The Program Directors are empowered to make admissions decisions based on the approved and published admission criteria. Admission decisions of the nursing graduate program are made by the Graduate Nursing Admissions Committee. The Graduate Nursing Admissions Committee is comprised of the Dean, School of Nursing, the MSN Program Director and three graduate nursing faculty appointed by the Dean on a yearly basis. The Graduate Business Admissions Committee, the Graduate Education Admissions Committee and the Graduate Christian Studies Admissions Committee, comprised of business, education or Christian Studies, faculty and directors, respectively, receive recommendations from the appropriate Dean regarding candidates for admission who do not meet regular admission requirements. The MAIS Advisory Council, comprised of the director and the faculty across the disciplines, receive recommendations from the MAIS Program Director regarding candidates for admission who do not meet regular admission requirements. The respective Admissions Committees may recommend Conditional Admission for students who do not meet published criteria for admission.

Student Life

Graduate students are welcomed and are encouraged to participate in the many religious, cultural, and educational activities that take place on the University campus. For more information on student life, graduate students may consult the latest edition of The Campus Life Handbook.

Student Conduct

It is understood and expected that graduate students will possess a high level of maturity and responsibility. Union University is committed to providing quality education within a Christian environment, all students are expected to recognize this commitment and to conduct themselves in a manner that is consistent with the Christian life-style. Furthermore, since positive relationships with faculty and other students contribute to the learning process, students are expected to make every effort to avoid behavior that is known to be offensive to others.

The President, the Dean of Students, and the judicial system of the University are charged with the administration of discipline. They are empowered to rule in any irregularity pertaining to student life.
Chapel and Spiritual Life

Chapel is one of the distinctive features of the Christian college and is for the strengthening of faith in God, for instruction, and for the enrichment of the spiritual life of the total university family.

Chapel attendance is not compulsory for graduate students. However, graduate students are invited to participate as well as in other spiritual activities including activities sponsored by the Campus Ministries, the Baptist Nursing Fellowship, and the Fellowship of Christian Athletes.

Confidentiality of Student Records

The privacy and confidentiality of all student records shall be preserved in accordance to the Family Educational Rights and Privacy Act (FERPA) of 1974. The objective of the Act is to provide students and parents greater access to and control over information contained in educational records. The law stipulates that each institution is responsible for making students aware of the law and its various ramifications. More information about FERPA can be obtained from the Registrar. Official student academic records, supporting documents, and other student files shall be maintained, only by members of the University staff employed for that purpose, in separate files:

- Academic records, supporting documents and general education records—maintained by the Academic Center, academic departments and advisers
- Records of discipline proceeding— maintained by the Student Services Office
- Financial records—maintained by the Business Office
- Medical records—maintained by the Student Health Services Office
- Admissions records—maintained by the Admissions Office
- Financial aid records—maintained by the Financial Aid Office

Directory information (student’s name, address—including email address, telephone number, date and place of birth, photograph, academic major, class schedule, dates of attendance, degrees and awards received, and most recent previous educational institution attended) may be made public by the University unless a student requests to the Academic Center in writing that such information be released only upon his/her consent.

Motor Vehicle Registration and Parking

Every individual who maintains or operates a motor vehicle on the Union University campuses must register each vehicle with the Office of Safety and Security at the beginning of the semester or within 24 hours when brought to the campus. For graduate students, there is no fee for obtaining parking permits. The vehicle’s license plate number and proof of current auto liability insurance are required for registration of the vehicle.

Sexual Harassment

Union University is committed to providing its faculty, staff, and students with an environment free from explicit and implicit coercive sexual behavior used to control, influence, or affect the well-being of any member of the university community.

Sexual Harassment Defined: The definition of sexual harassment varies greatly. Therefore the Equal Employment Opportunity Commission’s guidelines are used. According to the Equal Employment Opportunity Commission’s guidelines prohibiting sexual harassment, there are two types of sexual harassment: (1) Quid pro quo— “submission to or rejection of such conduct by an individual that is used as a basis for employment decisions affecting such individual” and (2) Hostile environment— “unwelcome sexual conduct that unreasonably interferes with an individual’s job performance or creates an intimidating, hostile, or offensive working environment.” Sexual harassment in the college community may include, but may not be limited to, unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal or physical conduct of a sexual nature where: (1) submission to such conduct is a term or condition of an individual’s employment or education; (2) submission to or rejection of said conduct is used as a basis for academic or employment decisions affecting the individual; or (3) such conduct results in a hostile environment which has the effect of interfering with an individual’s academic or professional performance.

Policy Statement: Sexual harassment of any type will not be tolerated and is expressly prohibited. Sexual harassment is grounds for disciplinary action which may include reprimand, demotion, discharge, or other appropriate action, dependent upon the nature of the harassment. Faculty are asked to be especially sensitive to the fact that they are in a position of authority over students and that authority carries with it responsibility to be mindful of situations in which they are dealing with students in private, one-on-one associations both on and off campus.

Complaint Procedure: A student with a complaint against a faculty member, a member of the administration, or another student may contact the Dean of Students. Alternate contacts include the Director of Human Resources, the Executive Vice President and the President. The contact person will initiate an Incident Report form and forward to the Director of Human Resources.

The University will handle the matter with as much confidentiality as possible. There will be no retaliation against any staff, faculty, or student who reports a claim of sexual harassment or against any staff, faculty, or student who is a witness to the harassment. The University will conduct an immediate investigation in an attempt to determine all of the facts concerning the alleged harassment. The investigation will be directed by the Director of Human Resources unless the Director of Human Resources or someone in the director’s office is the subject of the investigation. In such event, the office of the Provost (faculty or student) or Senior Vice President for Business Services (staff) will direct the investigation. As a part of the investigation of the claim of sexual harassment, the contact person, the complainant, and the respondent will be asked to provide statements regarding the incident. Once the report is reviewed and investigation is concluded, a finding may be found that sexual harassment did not occur, or a finding may be found that sexual

Requirements for Grade Point Average

In order to graduate with an M.B.A., an M.A.Ed., an

M.Ed., M.S.N., M.A.I.S., Ed.S. or Ed.D degree, students are

required to have a minimum grade point average (GPA)

of 3.0 for all courses taken for graduate credit at Union

University. Quality points shall be awarded as follows:

A - 4 quality points for each semester hour of credit

B - 3 quality points for each semester hour of credit

C - 2 quality points for each semester hour of credit

P - 0 quality points (course hours are not applied in

computation of the grade point average)

F - 0 quality points

FF- 0 quality points (course hours are not applied in

computation of the grade point average)

W - 0 quality points

N - 0 quality points

Repetition of Courses

A student may repeat a graduate course one time. Al-

though the credit for the course will be given only once,

only the final attempt will be used in the computation of

the grade point average.

A 500-level course taken for undergraduate credit may

not be repeated for graduate credit.

Academic Probation and Suspension

After completion of 9 graduate hours at Union Uni-

versity, a graduate student whose cumulative GPA from

courses taken at Union University for graduate credit is

below 3.0 will be placed on academic probation. A gradu-

ate student whose GPA from courses taken at Union is

below 2.5 will be suspended from the graduate degree

program. While suspended from the degree program,

the student may, in an effort to improve the GPA, repeat

courses in which a grade of C or F has been received.

When the student's GPA has been raised to 2.5 or higher,

the student may apply for readmission to the degree

program.

A graduate student suspended from the graduate

program is not eligible to file for Veterans Administration

Benefits.

Academic Grievance Procedures

A student who wishes to appeal for a variance from

graduate policies or procedures should direct a written

petition to the Dean of the McAfee School of Business

Administration, the Dean of the College of Education and

Human Studies, the Dean of the School of Nursing, or

the Associate Provost for International and Intercultural
Studies requesting the variance and carefully outlining the reasons for the request. The request must be received no later than 90 days after the issuance of the grade. After consideration of the petition, the Dean/Associate Provost will determine whether the petition can be granted and will inform the student, in writing, of the decision.

If the student is dissatisfied with the Dean’s/Associate Provost’s response to the petition, the student may then appeal the Dean’s/Associate Provost’s decision to the Graduate Appeals Committee. The Graduate Appeals Committee will review the petition, gather information as it is needed, and render a decision. The Committee will inform the student, in writing, of their decision.

If the student is dissatisfied with the decision of the Graduate Appeals Committee, that decision can be appealed first to the Provost and then, if necessary, to the President. The decision of the President will be final. Copies of all correspondence related to all formal petitions and appeals will be kept for future reference in the student’s file in the office of the respective Graduate school.

Orderly procedures are provided by which a student may be heard concerning a just grievance. Procedures are outlined in the Campus Life Handbook for the student who wishes to register dissatisfaction with the quality of instruction or performance of a professor.

Both the Campus Life Handbook and the Faculty Handbook detail the procedure for a formal grade appeal. The student should first ask the instructor how the grade was determined. It is hoped that most problems can be resolved at this level. If additional discussions are necessary, the student should contact his faculty advisor to begin the formal process of appeal.

International students will be required to complete the International Student Application for Admission as well as the application for admission to the specific graduate program intended and a $50.00 application fee. All documents must be in English, and the official transcripts must be certified English translations. The following additional requirements must be met:

B. Student insurance approved by Union University.
C. A financial affidavit.
D. A TOEFL score of at least 560 (Computer based 220). Specific programs may require a higher score.

From a country where the native language is not English, students will submit official TOEFL score reports of not less than 560 for admission to Union University.

From another accredited institution of higher learning in the United States, international students will be required to meet the same requirements for admission as all other transfer students as well as meeting the required TOEFL score.

An I-20 form may be issued only after admission requirements and the above monetary requirements have been satisfied.

Special Categories of Admission

Provisional Students

With limited exceptions, provisional students are enrolled in eligible programs for the purpose of obtaining a degree from Union University. These students do not have immediate access to official documents in order to be fully admitted. Any credit taken while in this status will not be transferred as regular matriculated credit until the status has officially been changed. Students will be required to submit all outstanding items to complete the admissions file in order for the provisional status to be changed.

The student will be bound by all general academic requirements imposed upon regular matriculated students so far as prerequisites, amount of work, and quality of work are concerned. All work completed or attempted will be fully documented in the Academic Center.

The student will sign a contract at the time of admission defining the status of a provisional student accepting the limitation of that status. The student must also sign a waiver so that Union University will have the right to request those documents needed to complete the admission file.

A student may remain on provisional status for only one semester and the subsequent short term unless special circumstances exist and permission for an extension is given in writing by the Program Director. A personal conference with the Program Director may be required before the student is accepted for admission on a provisional basis.

Non-Degree Seeking Students

Some students may be admitted in this category if they desire to take courses primarily for special interest or on a “visiting student” basis. Often these special students are enrolled in other institutions and are enrolled for only one or two terms at Union. Students must submit an
application to the appropriate graduate school, pay the application fee (nonrefundable), and submit an official transcript as proof of at least the baccalaureate degree. Students must meet all requirements for admission to change from Non-Degree Seeking status to Degree Seeking status.

Registration Information

Registration dates for each term are given in the calendar of this catalogue. In order to accommodate the varied personal schedules of students, early registration is also allowed. The dates and times for early registration will be published for each term. Students can also obtain this information from the appropriate graduate program office.

Late Registration and Class Changes

Late registration and changes of classes are allowed in some courses and in accordance with published deadlines in the Academic Center. A late registration fee or a class change fee will be charged for these changes. Those considering late registration for a cohort program should contact the appropriate graduate program office.

A student making a change in his/her class schedule after completing registration will follow this procedure:
1. Obtain proper forms from the appropriate graduate office,
2. Secure the signature of his/her advisor,
3. Present the forms to the appropriate graduate office for the schedule change.

Withdrawal from Classes

Students will be allowed to withdraw through 11 weeks or its equivalent and will receive the notation on their permanent records “Withdrawn all Classes” as of the date the withdrawal was processed. Students discontinuing class attendance without permission will receive an “F” in those courses. In exceptional cases, such as extreme illness or other circumstances beyond the student's control, the Registrar may assign a grade of W for a withdrawal after the allowable period.

A student withdrawing from all classes must complete a withdrawal form and submit it to the appropriate graduate program office.

Readmission

Students who have not been enrolled for at least one semester will be required to readmit by completing a new application to the appropriate graduate program. Official transcripts from other schools attended during the interval will be required. No additional application fee will be required.

Treatment of Title IV Funds When a Student Withdraws
If a student in a semester program withdraws from a semester on or before the 60% point in time calculated using calendar days, a portion of the total of Federal Stafford Loan which has been disbursed or could have been dispersed to the student for that semester must be returned, according to the Return of Title IV Funds regulations of the Higher Education Amendments of 1998. A student in a program offered in modules who withdraws from a module and earns no credit hours for an enrollment period for which he is receiving a loan is also subject to the Return of Title IV Funds regulations. The calculation of the return of these funds may result in the student owing a balance to Union University.

Examples of calculation of the Return of Title IV Funds are available in the Office of Financial Aid.

How to Obtain a Credit of Institutional Charges
In order to obtain a credit of institutional charges, a student must notify Union Station in person or the Academic Center in writing of his desire to withdraw from the university, the reason for withdrawing, and indicate the last day which he attended class. This information will be recorded on a withdrawal record and passed on to the Office of Business Services and the Financial Aid Office for calculation of Return of Title IV Funds, if applicable.

Equipment
Any University equipment such as musical instruments, athletic equipment, laboratory apparatus, etc., that may be made available for students’ use is the responsibility of the student. Any damage or breakage, other than by normal use, will be charged to the student’s account.

No equipment is to leave the campus, unless in care of the faculty member responsible for it.

Financial Assistance
Graduate students may apply for the Federal Stafford Loan. Policy and procedures for administration of financial aid are published in the financial aid handbook, Financing Your Education, available in the Financial Aid Office or at www.uu.edu/financialaid.
