

# MASTER OF BUSINESS ADMINISTRATION

## THE MCAFEE SCHOOL OF BUSINESS ADMINISTRATION

**Available on the Jackson and Germantown Campuses**

### Mission Statement

To provide a quality graduate education within a Christian context, to produce scholarly contributions to the business academic disciplines, and to develop graduates prepared to serve in the challenging global environment of today's organizations.

### The M.B.A. Academic Program

The Master of Business Administration (M.B.A.) degree provides advanced study for individuals interested in managing and leading organizations.

### Program Emphasis

There are 12 courses and an orientation program in the Union M.B.A. curriculum. The orientation program, comprised of three class meetings for one hour of credit, serves as an opportunity to review background information in the business disciplines.

The remaining 12 courses are 3 semester hours of graduate credit each. At the Program Director's discretion, one of these courses will be either M.B.A. 615 or M.B.A. 640. Courses are scheduled in a manner that allows the student to continue a career and an already busy schedule. The courses meet from 6 to 10 p.m. one evening a week. Only one course is taken at a time, and each cohort of students progresses through the program together. Courses are 8 weeks in duration. The entire 37-semester hour M.B.A. program is completed in 24 months.

Two options are available for completion of the M.B.A., a thesis option and a non-thesis option. Students selecting the thesis option are required to apply for acceptance into the thesis program prior to completion of M.B.A. 635. If

accepted, the student would take the M.B.A. 690, Thesis, at least 3 times in lieu of either M.B.A. 640, 630 or 628. The specific course substitution is at the discretion of the M.B.A. Director. Students accepted into M.B.A. 690 are required to write a thesis during the Fourth through Sixth Terms of the program. Once accepted into the program, the student must enroll in M.B.A. 690 continuously until the project is successfully completed.

The intensive study of cases is the focus of the Union M.B.A. Case study provides concrete organizational experiences for students to analyze. These real-life situations reinforce classroom discussions and interactive activities.

The strength of the Union M.B.A. is the qualified faculty that serve our student body. Union's business faculty combine practical work experience in management, consulting, and the professions with strong academic backgrounds. This dual emphasis on practicum and education provides a rich and relevant classroom experience for our M.B.A. students. Faculty pursue innovative teaching concepts while continuing to conduct and publish business-related research.

The Union M.B.A. provides a delivery system for graduate education that is unique. Groups of 15 to 30 students pursue each course together, meeting one night a week for eight weeks per course. This model emphasizes teamwork, cooperation, and the collaboration between students. Each cohort group is further subdivided into study groups of 4 to 6 students. Every attempt is made to structure study groups so that students' past experiences and business strengths are complementary. Lifelong friendships are developed under this format, and the learning that takes place in the classroom is supplemented in team exercises and projects. Study group meetings outside of class are at the discretion of group members.

Each cohort is presented with its unique calendar for the complete program. Current M.B.A. calendars are available for both campuses at:
