

Admission Policy

Union University seeks to educate students to be servant leaders, ready to carry out the vocation to which God has called them, and equipped with the abilities necessary to think Christianly and perform skillfully in the world. To this end, Union University seeks to recruit and admit quality undergraduate students of qualified preparation and good character. Union University is primarily an undergraduate institution and seeks to enroll students who desire the educational and Christian life experiences that are offered here and explained in the Mission Statement and Core Values of the University found in the beginning pages of the *Catalogue*.

How to Apply

The Union University Office of Undergraduate Admissions receives and processes applications to traditional undergraduate programs for all semesters and terms of the University. All applications should be mailed to the Office of Undergraduate Admissions, 1050 Union University Drive, Jackson, TN 38305. For more information, or for an application call (731) 661-5100 or 1-800-33UNION or apply online at, www.uu.edu. Complete and return the Union University application for undergraduate admission. Enclose an application fee, personal check or money order, for \$35 payable to Union University.

Applications will be considered for acceptance on a rolling basis. Since a limited number of spaces may be available for a class, early application is strongly recommended.

General Requirements

Age: An applicant must be at least 16 years of age unless written approval is granted by the Admissions Committee.

Character: An applicant is expected to be of good character. An applicant previously charged, arrested, or convicted of any crime is required to have a personal interview with the Director of Undergraduate Admissions prior to a decision being made regarding admission.

After the applicant has met the entrance requirements, the Director of Undergraduate Admissions will issue a formal letter regarding admittance to the University. Initial admittance to Union University does not imply automatic admission in future semesters. Any student admitted by giving false information or by withholding needed information may be dismissed or retained on probation. This decision will be made after consultation by the Director of Undergraduate Admissions with the appropriate committees and administrators.

Upon receipt and review by the University of all information required for consideration of admission/readmission, the University reserves the right to refuse admission/readmission to any student or applicant based upon a determination by the Director of Undergraduate Admissions and/or the Admissions Committee that admission/readmission of the applicant would not be consistent with the purpose of the University. All documents submitted become the property of Union University.

Admission of Freshmen

Academic Requirements and Stipulations

An applicant for the freshman class must be a graduate of an accredited high school with at least 20 units in Core Subjects. Core Subjects must include these minimum units: English, 4; Mathematics, 3; Social Sciences, 3; Natural Sciences, 3; Foreign Languages/Fine Arts, 2; with the balance being completed in approved electives. A state high school equivalency diploma will be accepted in lieu of a high school diploma. Additionally, students qualifying for Unconditional Admission to Union University must meet two of the following criteria:

1. 22 ACT/1020 SAT (combined critical reading and math scores)
2. 2.5 Core GPA
3. Top 50% of Graduating Class

Students who qualify for Unconditional Admission must have a minimum of 18 ACT/860 SAT (combined critical reading and math scores) and a 2.0 Core GPA regardless of whether or not either of these criteria were utilized to qualify for admission. These two criteria serve as a "floor" for Unconditional Admission.

Core GPA is a GPA computed by Union University based on each student's performance in a preselected track of high school college preparatory coursework. This required set of courses is as follows: four units of English, three units of math, three units of social science, three units of natural science, two units of either foreign language or fine arts (may choose one of each).

This core GPA will be computed with the official grading scale utilized by the high school where the course credit was awarded.

Occasionally students who do not meet minimum criteria may be accepted with conditions. See Conditionally Admitted Students under Alternative Categories of Admission.

Before Acceptance to the Freshman Class may be granted, the applicant must also file the following information in the Office of Undergraduate Admissions:

1. An admissions application and (non-refundable) application fee,
2. An official ACT or SAT(R) report, and
3. An official high school transcript.

Before registering for classes, the applicant must also file in the Office of Undergraduate Admissions a tuition deposit of \$200 to reserve a place in class and apply to the tuition

charges. A housing deposit of \$100 is required to reserve an apartment on campus.

Upon high school graduation, freshmen accepted to the University must submit an official high school transcript verifying graduation.

The refund schedule and policies regarding deposits are detailed in the Financial Information section entitled "Refunds."

Early Admission

Outstanding students may be enrolled in high school and Union as part-time students upon application with a minimum high school GPA of 3.5 considering all coursework and a minimum ACT composite score of 20, or SAT 940.

Outstanding seniors prior to high school graduation may be admitted as full-time students upon application and in consideration of:

1. A minimum high school GPA of 3.5 considering all coursework,
2. A minimum ACT composite score of 20, or SAT 940,
3. A written endorsement from the principal detailing the one or two courses the principal will accept for completion of the high school diploma. Courses must be completed during the first year of enrollment at Union,
4. Written endorsements from the high school counselor and student's parents,

5. An application on file with Undergraduate Admissions by April 1,
6. All other freshman requirements for admission,
7. An interview with the Admissions committee may be required, and
8. It is the student's responsibility to submit a Union transcript to the high school for awarding of the high school diploma.

Home School Admission and Enrollment Philosophy

Union University actively seeks to admit and enroll students with a home school background. Graduating students may be admitted to Union University as freshmen if they meet the same requirements as students from private and/or public high schools as listed under Admission of Freshmen. If a class rank is unavailable, home school students may be admitted without conditions provided they meet minimum ACT/SAT scores and GPA requirements.

Outstanding area home schooled students may be admitted to take a maximum of 12 semester hours during their junior and senior years of high school on a space available basis. A personal conference with the Director of Undergraduate Admissions is required before the student is accepted for admission.

Admission of Students Transferring From Another College

A transfer student must have completed at least 24 semester hours of transferable credit at an accredited college in order to enter Union under this category; otherwise, the applicant must meet freshman admission requirements and transfer GPA requirements. The academic status of a transfer student will be based on his/her cumulative GPA of all accredited post-secondary work attempted. The admission file of a student having less than a 2.3 cumulative GPA will be presented to the Undergraduate Admissions/Readmissions Committee following an interview with the Director of Academic Support. The student may be denied admission, admitted as a Conditional Student (as stated in *Catalogue*), or admitted. The determination for the above decision shall be the full academic record, recommendations, and explanation of any extenuating circumstances and will be detailed in writing from the Director of Undergraduate Admissions and the Director of Academic Support on behalf of the Admissions Committee.

Before acceptance into Union University may be granted, a transfer student must file the following information in the Office of Undergraduate Admissions:

1. An admissions application and (nonrefundable) application fee,
2. An official transcript of credits from all institutions attended, and
3. A completed student transfer form is required for students who have received official disciplinary

action at a previously attended institution or if special circumstances arise that show a necessity.

Before registering for classes, the applicant must also file the following information in the Office of Admissions:

1. A complete official transcript from all institutions of higher learning attended,
2. A tuition deposit of \$200, applicable to the entering semester, is required after a student has been accepted for admission to reserve a place in class, and
3. A housing deposit of \$100 is required of residential students to reserve an apartment on campus.

The refund schedule and policies regarding deposits are detailed in the Financial Information section entitled "Refunds."

Credits will be accepted from other regionally accredited colleges if it parallels courses offered by Union. The minimum grade for acceptance is "C." No more than 72 semester hours will be accepted from non-baccalaureate granting colleges toward a bachelor's degree at Union University. Grades from other institutions do not transfer and therefore will not be recorded.

Union University will accept students from a Bible college accredited by The Association for Biblical Higher Education.

1. All regular policies pertaining to the admission of transfer students must be fulfilled.
2. The student must maintain an average of "C" on all work taken during the first semester at Union University in order for the credit from the Bible college to be accepted.

Admission of Students Who Already Have A Bachelor's Degree

Any student having graduated from an accredited undergraduate institution may be admitted to Union University by the following process:

1. An admissions application and (non-refundable) application fee, and
2. Submit official transcripts from all institutions attended.

Students having received a baccalaureate degree are required to submit a student transfer form only if special circumstances arise to show a necessity. A room deposit is required if the student desires campus housing. Additional transcripts may be required if necessary for academic advising.

Admission of Former Union University Students

Any student once admitted to Union University and then missing one or more semesters (Fall or Spring) must be readmitted by the following process:

1. Complete a new application (fee is not required),
2. Clear all previous academic, social, and financial obligations,
3. Submit official transcripts from institutions attended since leaving, and
4. Submit a student transfer form from the last institution attended only if special circumstances arise that show necessity.

Voluntary withdrawal does not guarantee permission to readmit to the university nor does it automatically exclude the student from future enrollment.

Academic Forgiveness Program

Union's Academic Forgiveness Program is designed for students who at an earlier period earned a poor college academic record. The second chance is available to students who can demonstrate they are now prepared to be academically successful. Information should be obtained at the time of application from the Director of Undergraduate Admissions.

Admission of International Students

All international students will meet the same freshman and transfer requirements for regular admission to the University. All international students will complete the required Application for Admission including its \$50 application fee. All documents must be in English. Official transcripts must be evaluated, at the student's expense, through an approved service for the evaluation of international transcripts. Entry is allowed for Fall Semester only unless a special appeal is granted by the Admissions Committee or the Director of Undergraduate Admissions. The following additional requirements must be met:

1. A physical examination,

2. Student insurance purchased from a company approved by Union University,
3. Each international student shall prepay or show responsible evidence (such as a government scholarship) of having adequate money for one academic year's tuition (for Fall, Winter, Spring Semesters), room, board, insurance, books, and miscellaneous expenses. This amount will be determined by the Director of Undergraduate Admissions for each individual student during the admission process,
4. Students whose native language is not English will submit TOEFL score reports of not less than 550 paper-based or 80 internet-based to be considered for full admission. Exceptions to this requirement will be considered for students presenting strong verbal scores on the SAT or ACT.
5. The Enhanced ACT/SAT(R) score requirement will normally be waived if the TOEFL score is at least 550 or 80 internet-based.
6. TOEFL requirements will normally be waived for International Students who transfer to Union with at least 24 semester hours of transferable credit and who present evidence of English proficiency by earning a cumulative GPA of at least 2.3 from another regionally accredited college or university in the United States.
7. Students whose native language is not English will participate in an interview with the International Student Enrollment Counselor or the Director of Undergraduate Admissions and Recruitment. This interview may be conducted either in person or by phone. A placement test may also be required.

From a country where the native language is English, students will be admitted on academic credentials without regard to language requirements. Academic requirements will be the same as for regular admission.

From another accredited institution of higher learning in the United States, students will be required to meet the same requirements for admission as all other transfer students as well as meeting the required TOEFL score.

An I-20 form may be issued only after admission requirements and the above monetary requirements have been satisfied.

As a condition of their admission, each international student will be required to enroll as a full-time student in course work tailored for their unique orientation needs to include; but not be limited to; ENG 111, ENG 112, and ICS 105. International students will be advised by an international student advisor, as well as by an assigned faculty advisor in their major department, during their first year. Both the international student advisor and the departmental advisor must be consulted in registration decisions.

For students who have obtained their permanent residency card the following requirements must be met:

1. Submit the International Admission Application with a \$35 application fee.
2. Meet all requirements for regular admission.
3. Submit a copy of your permanent residency card.

Admission to Special Programs

Union University occasionally partners with institutions and entities with a shared mission for course offerings and reserves the right to make adjustments to both the admission process and the admission requirements based upon formalized agreements and arrangements with these partnering institutions and entities. These may include dual enrollment agreements and special semester intensive study programs.

Dual Enrollment

The Union University High School Dual Enrollment program is open to exceptional high school juniors and seniors from partnering institutions who have the ability, motivation, and maturity to begin their college education before high school graduation. Students desiring to enroll in the Union University dual enrollment program must do so through Union University's Office of Undergraduate Admissions and meet the admissions criteria as outlined in the formalized agreement with the partnering institution.

Rising High School Senior Program

Exceptional high school students, after completing the junior year of high school, may earn college credit by attending the June Term, earning a maximum of seven semester hours. The RHSS is designed for selected high school students who:

- A. Have completed the junior year with a B average or a 20 ACT Composite or a 940 SAT Combined.
- B. Have demonstrated to their principal or guidance counselor sufficient maturity to profit from college work.

Before being admitted to the program, an applicant must meet the following standards and have the following information on file in the Office of Undergraduate Admissions:

1. An admissions application and application fee
2. A high school transcript of five semesters
3. A recommendation from the student's principal or counselor

A fee of \$100.00 per hour is charged. Room and board is available at the regular rates.

No student may participate in the RHSS Program who does not plan to return to high school for completion of the senior year.

Students may complete a maximum of 24 semester hours through the University's reduced tuition programs, including dual enrollment, rising high school senior, and home school enrollment.

Alternative Categories of Admission

Conditionally Admitted Students

Occasionally students who do not meet minimum criteria may be accepted with conditions. Admittance with Condition, as a degree-seeking student, may be based on a further review of high school course work and grades, standardized

test scores, GPA, rank in class, and recommendation from appropriate personnel in their school, church and community and an interview with the Director of Academic Support. Conditions will be detailed in writing from the Director of Undergraduate Admissions and Recruitment and the Director of Academic Support on behalf of the Admissions Committee.

Keystone Program

The Keystone Program is designed to support and facilitate a successful transition of conditionally admitted students into the learning community of the university. Its mission is to encompass and connect the academic achievement, personal strengths, values, goals, and faith for each student. To achieve this mission, the Office of Academic Support will assist in a seamless transition through deliberate and intentional programs outlined in an individualized Keystone Plan. For further information on Keystone, please contact the Office of Academic Support at 731.661.6568.

Provisional Students

With limited exceptions, provisional students are enrolled as degree-seeking students. These students do not have immediate access to official documents in order to be fully admitted. Any credit taken while in this status will not be transferred as regular matriculated credit until the status has officially been changed. Students will be required to submit all outstanding items to complete admissions for the provisional status to be changed.

The student will be bound by all general academic requirements imposed upon fully matriculated students so far as prerequisites, quantity and quality of work. All work completed or attempted will be documented on the academic record.

The student will sign a contract at the time of admission defining provisional status and accepting the limitation of that status. The student must sign a waiver for Union University to request those documents needed to complete the admission file. A student may remain on provisional status for only one semester and the subsequent short term unless special circumstances exist and an extension is given in writing by the Director of Undergraduate Admissions. A personal conference with the Director of Undergraduate Admissions may be required before the student is accepted for admission on a provisional basis.

Non-Degree Seeking Students

Students may be admitted to take courses for special interest or as a "visiting student" for a maximum of 12 semester hours. Classes may be taken for credit or audit on a space available basis. Students must meet all requirements for admission to change from Non-Degree Seeking to Degree Seeking status. A personal conference with the Director of Undergraduate Admissions is required before the student is accepted for admission on this basis. Students admitted as non-degree must reapply each semester/term.

Advanced Placement and Credit by Examination

Placement tests developed by Union University may be administered in all departments represented in the core curriculum. No credit will be awarded for Union-developed tests; the hours required in the core will be satisfied at a higher level.

Nationally recognized credit by examination programs including the Advanced Placement Program of the College Entrance Examination Board (CEEB), the College Level Examination Program (CLEP), Correspondence and Extension credit, International Baccalaureate (IB) and DANTES SST may be accepted. Credit will be awarded for training received in the military service in accordance with recommendations of the American Council on Education (ACE). Other ACE-evaluated programs may be accepted upon review.

Credit awarded by successful completion of CEEB, CLEP, DANTES and IB exams and for ACE-approved training through non-collegiate sponsored education, including but not limited to the military, is assigned semester hours without quality points.

The General Core for all degrees requires an in-class laboratory science. Therefore, the requirement may not be completely satisfied with credit by testing.
