

FINANCIAL INFORMATION

Student Accounts

The registration of a student signifies an agreement by the student and if applicable, his/her parents to fulfill the related financial obligations to the end of the semester in which the student is registered. The University expects that every student will care for his/her account and believes that responsibility for handling the student account is a part of the educational experience as a whole.

All financial information is subject to change without notice.

Expenses, Due and Payable

All expenses for the semester, after subtraction of financial aid, are due and payable before the beginning of classes for that semester. A 1.5% service charge will be assessed monthly on all outstanding student account balances.

Failure of a student to keep payments current will make him/her liable for exclusion from class attendance and from the University. All charges must be paid before the student may receive a diploma or academic transcript or enroll for a subsequent term. Students preregistering for a semester must have their current account paid in full; subsequent withdrawal will still incur fees.

Financial assistance, including grants, scholarships, loans for students or parents, and student employment is available for those who qualify. Please review the section below entitled "Scholarships and Financial Aid" for additional information. The University accepts payment via Web Advisor, in person, or by phone or mail. Debit or credit card payments are subject to a convenience fee of 2.5%. We can not accept VISA due to their policies. Payment plans are available if needed, and may be established through the Office of Business and Financial Services.

For each hour in excess of 16 hours the tuition will be \$690 per semester hour. The Audit fee for any semester/term is \$125 per hour; audit does not apply toward graduation.

The Student Services Fee covers a variety of university costs, including the basic medical fee, admission to many campus-sponsored events (including home athletic contests), post office box rental, student publications, graduation, computer lab fees, etc.

How to Obtain a Credit of Institutional Charges

To obtain a credit of institutional charges, a student must notify Union Station or the Academic Center and indicate the last day which he attended class. Upon verification and approval, this information will be recorded on a withdrawal record and passed to the offices of Business Services and Financial Aid for calculation of credit of institutional charges and adjustment of financial assistance.

Equipment

Any University equipment, musical instruments, athletic equipment, laboratory apparatus, etc., made available for students' use is the responsibility of the student. Any damage or breakage, other than by normal use, will be charged to the student's account. No equipment is to leave the campus, unless in care of the faculty member responsible for it.

Scholarships and Financial Aid

The cost of a college education inevitably rests upon the student and his/her family. The Office of Student Financial Planning of Union University exists to help make a Union education more affordable by offering institutional scholarships and grants, and disbursing federal and state funds for which students qualify. A student interested in financial assistance can contact Student Financial Planning to obtain the appropriate forms necessary to complete the financial aid process.

Application

1. New students must submit the Union University Application for Undergraduate Admission and Scholarship Assistance for the appropriate year to be considered for any aid. Applicants for federal/state assistance must also file the Free Application for Federal Student Aid (FAFSA) for the appropriate year. Applicants for Scholars of Excellence, Engineering Scholarship, TN Baptist Convention

Church Scholarship, African American Scholarship, Minority Scholarship, and Church and Convention Ministry Scholarship must submit separate applications. Applicants for on-campus employment must complete a separate online application for employment.

2. Students wishing to reapply for federal and state funds must file the FAFSA or Renewal FAFSA each year. It is the student's responsibility to complete all applications by the deadline.
3. All students are required to notify Student Financial Planning of any other scholarships or loans extended to them from sources outside the university.
4. The returning student's financial need will be reevaluated each year and appropriate increase or decrease in the amount of assistance offered will be made.

Award Notification

1. Applicants will be notified of their award package by an Award Letter. The Award Acceptance Form should be signed and returned to Student Financial Planning within the time specified on the Acceptance Form.
2. Federal Stafford Loans are awarded each academic year from a serial Master Promissory Note. Notification of the amount is made to the student by an Award Letter. Students must return the Award Acceptance Form to begin the loan certification process, being sure to make any desired changes to the amount(s).
3. Federal Stafford Loan and PLUS amounts shown on the Award Letter reflect the gross amount of the loan. The net amount of the disbursements may be less, due to fees deducted by the lender.
4. Most awards are divided evenly between fall and spring semesters. The Award Letter indicates how each award will be divided.
5. Most scholarships from outside sources will show on the Award Letter simply as "Outside Scholarship." Any tuition reimbursement will be indicated on the Award Letter as "Tuition Reimbursement."
6. Award for Workshop/Work Study is the amount a student may expect to earn during the academic year contingent upon actual placement in a job assignment and actual hours worked. Students must report to Student Financial Planning upon arrival on campus for job assignment and clearance.

Disbursement

1. Disbursement of awards for a semester (excluding Federal Work Study and Institutional Workshop) is made by crediting the student's account.
2. Students on Federal Work Study receive a monthly paycheck for hours worked. Students on Institutional Workshop have the amount earned each month credited to their student account if there is a balance owed. If the amount earned exceeds any balance owed on the account, the student will receive a paycheck for the amount earned which exceeds the amount owed. If there is no balance owed, the student will receive a paycheck for total amount earned.
3. Federal Perkins Loan funds cannot be disbursed until the recipient has signed a Perkins Loan Promissory Note and completed Perkins Loan Entrance Counseling as required

by federal regulation. Regulations also require a student to complete Stafford Loan Entrance Counseling before Federal Stafford Loan funds can be disbursed. TEACH Grant funds require students complete the Agreement to Serve and TEACH Entrance Counseling prior to receiving the grant.

4. Union awards requiring separate applications (Union TBC Award, Engineering Scholarship, and CCMS) will not be disbursed until the recipient's approved application is on file in Student Financial Planning.
5. The lender will notify the loan borrower of the estimated disbursement dates for Stafford and PLUS loans. Union will notify the student by email when disbursement has been made. Funds received electronically by Union will be posted to the student's account within 3 business days.
6. If the student's account of federal or state aid shows a credit balance, a credit refund check will be available within 14 days.

Financial Aid Census Date

1. A Financial Aid Census Date is established to determine a student's enrollment status (full time: 12 hours or more, $\frac{3}{4}$ time: 9 - 11 hours, half time: 6 - 8 hours, less than half time: 1 - 5 hours) upon which their awards will be made. Union University's Financial Aid Census Date shall be the last day to add a class for the regular semester.
2. A student is required to be enrolled full time as of the census date in order to receive Union University funds. Students whose required hours to graduate are less than full time in their final semester may request their Union University aid be prorated based on the number of actual hours enrolled. A student is required to be enrolled at least half time as of the census date to be awarded Federal Stafford Loan, Federal Parent Loan (PLUS), TN Student Assistance Award (TSAA), Federal ACG Grant, or Federal Smart Gent. A student must be enrolled at least half time at time of disbursement to receive federal loan funds.

Adjustment of Awards

1. Students whose Financial Aid Enrollment Status is less than full time on the census date will have their federal and state awards adjusted according to their enrollment status. Any institutional aid that may have been awarded prior to the census date will be removed due to the full-time enrollment requirement.
2. Students dropping or adding a class after the census date will not have federal and state awards adjusted. An exception is a Pell Grant or TEACH Grant recipient who drops a class never attended, may have Pell Grant or TEACH Grant adjusted according to the resultant enrollment status, per federal regulations. Students awarded Federal Stafford Loans (PLUS) who are enrolled less than half time at the time of disbursement will have disbursements returned to the lender.
3. Students dropping or adding a class after the census date, but during the period of tuition refunds established by the Office of Business and Financial Services, will have their institutional aid adjusted according to actual enrollment status.

Withdrawal from all classes

1. A student who withdraws from all classes before the 60% point of the semester, calculated by calendar days, may have a portion of federal funds (Federal Pell Grant, TEACH Grant, Federal SEOG, Federal ACG, Federal SMART Grant, Federal Perkins Loan, Federal Stafford Loan, Federal PLUS Loan but not Federal Work Study) returned to the source as required by federal regulations. This calculation may result in the student owing a balance to Union University and to the U.S. Department of Education.
2. A student who withdraws from all classes before the last day to receive a refund of tuition charges will have their institutional aid prorated according to the same schedule used to refund tuition.
3. State awards will remain the same according to enrollment status established on the census date.
4. Scholarships received from outside sources will remain the same according to enrollment status established on the census date, unless specified by the donor to be returned in full or in part.

Requirements/Provisions

1. The following scholarships require a student to maintain a minimum cumulative GPA to retain the scholarship. Exact GPA requirements are specified on the Award Letter. Scholars of Excellence Scholarships (Presidential, Provost, Dean, University, Collegiate), Academic Scholarship, Church and Convention Ministry Scholarship, Engineering Scholarship and Transfer Academic Leadership Scholarship.

2. Scholars of Excellence Students awards are awarded for a maximum of 128 semester hours. Award may be applied towards any regular or overtime hours for Fall, Winter, Spring or Summer Terms. Academic Scholarship and CCMS are awarded for a maximum of either Fall/Spring Semesters. Transfer /Academic Leadership Scholarship is awarded for a maximum of four Fall/Spring Semesters.
3. Students must meet the requirements of Union's Standards of Satisfactory Academic Progress for Financial Aid Eligibility to receive federal/state grants and loans.
4. Prior to graduation or withdrawal, recipients of Federal Perkins Loan, Federal Stafford Loan or TEACH Grant must complete exist counseling regarding loan repayment.

Disclaimers

1. Commitment of federal funds (Pell Grant, Supplemental Educational Opportunity Grant, ACG, SMART Grant, or Perkins Loan) or state funds (Tennessee Student Assistance Award, HOPE Scholarship, General Assembly Merit Scholarship, Aspire Award) is tentative and contingent upon subsequent congressional and/or state appropriation and actual receipt of the funds by Union University.
2. Student Financial Planning reserves the right to review, modify or cancel an award at any time because of changes in financial, enrollment, or academic status; changes of academic program; or because of the recipient's failure to observe reasonable standards of citizenship.

Satisfactory Academic Progress for Financial Aid Eligibility

Federal regulations require institutions of higher education establish minimum standards of "satisfactory academic progress" for students receiving federal financial assistance: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (SEOG), ACG, SMART Grant, TEACH Grant, Federal Work Study, Federal Perkins Loan, Federal Stafford Loan, and Federal Parent Loan for Undergraduate Students (PLUS). These standards are separate from academic standards required by the university for continued enrollment.

Criteria and Requirements

The criteria used to determine academic progress for purposes of determining eligibility for federal/state financial aid are cumulative GPA, cumulative Completion Rate, and Maximum Time for completion of educational objective.

1. Qualitative Requirement
 - a. Undergraduates must achieve a 1.5 cumulative GPA by the end of the first academic year (24 credit hours).
 - b. A student must achieve a 2.0 cumulative GPA after completing the second academic year (48 credit hours), and must maintain a minimum 2.0 through the completion of his program.
2. Quantitative Requirement

- a. Completion Rate - Students must successfully complete a minimum of 67% of cumulative credit hours attempted, excluding audits and testing credits. To successfully complete is to receive a final grade of A, B, C, D or P.
 - b. Maximum Time for Completion - Students must complete their degree program within 150% of the published length of the program. For example, pursuing a degree requiring 128 credit hours, a student could not receive aid beyond 192 hours attempted, including transfer credit hours, whether or not aid was received for all of those hours.
3. Freshmen students who either do not achieve the required 1.5 GPA after 24 hours earned or do not achieve the 67% Completion Rate after 24 hours attempted will be allowed to continue to receive state/federal financial aid for one conditional semester, after which they must meet both requirements.

Incomplete Grades

Satisfactory Progress will not be calculated for a student with a grade of Incomplete or In Progress. Therefore awards based on cumulative GPA will not be awarded until a final grade is received and the calculation is made.

Repeated Courses

For financial aid purposes, repeated courses affect academic progress as indicated:

1. GPA - Only the most recent grade applies to the student's cumulative GPA.
2. Completion Rate and Maximum Time Frame - Only credit hours earned for the retake will be counted.

Drop and Withdrawal from Classes

Dropping classes or withdrawal from all classes prior to last day to drop affects a student's completion rate (counts as credit hours attempted but 0 credits earned) and Maximum Time Frame (counts as credit hours attempted).

Transfer Hours

Transfer credit hours apply only toward the overall Maximum Time calculation. Transfer hours have no effect upon the cumulative GPA or Completion Rate.

Students Readmitted to Union

A student readmitted to Union University whose prior academic record does not meet the standards for satisfactory progress will be eligible to receive financial aid for a conditional period of one semester. If, at the end of the conditional period, the student fails to regain satisfactory academic progress, they will not receive aid for subsequent semesters unless they follow the appeal process and are approved, or until such time as they do regain satisfactory academic progress.

Evaluation of Progress

1. Standards used to measure progress must include all semesters/terms of the student's enrollment. Satisfactory progress will be evaluated at the end of each Fall/Spring/Summer Semester.
2. A student who does not meet standards at the end of a semester who enrolls in the following term will not be eligible to receive financial aid for that term. However, credit hours attempted and grades earned during the term could restore the student to satisfactory progress for the following semester. A student who wishes his progress to be reevaluated following a particular term should follow the procedures in "Reinstatement of Eligibility."

Notification of Failure to Meet Satisfactory Academic Progress Standards

At the end of each semester, any student not making satisfactory progress will be notified by Student Financial Planning by letter. Unless the student falls under a conditional period as described in this policy, the student will not be eligible to receive any federal or state financial aid from that point forward. The student may appeal to the Director of Student Financial Planning for reinstatement.

Appeal Process

1. Students who have lost eligibility due to GPA or Completion Rate may appeal if extenuating circumstances

prevented them from making satisfactory progress. Appeal is made in writing to the Director of Student Financial Planning describing the extenuating circumstances and indicating steps the student plans to take to improve his academic progress.

2. Students who have lost eligibility for aid for exceeding the 150% Maximum Time Frame may appeal if they have changed their major since beginning attendance at Union. Appeal should be made in writing to the Director of Financial Aid and accompanied by documentation from the Academic Center showing the student's new major and the credit hours which apply toward the new major. The student will be allowed to appeal on the basis of a change in major one time only.
3. If the student who loses eligibility does not appeal or if the appeal is not approved, he/she will not receive federal aid until regaining eligibility. Students will be informed by letter or email of the results of their appeal.

Reinstatement of Eligibility

A student whose letter of appeal is approved will have eligibility reinstated. A student who has no basis of appeal may regain eligibility by bringing his/her cumulative GPA to the standard or, in the case of insufficient Completion Rate, by making up the deficient credit hours. When a student believes that he/she has regained eligibility, he/she should make a written request to Student Financial Planning that eligibility be reinstated. The request should be accompanied by a copy of the student's most recent grades, or in the case of regaining eligibility for Completion Rate, a current academic transcript. The student will be notified by letter or email the results of this request.

Veterans and Their Dependents

Union University is approved by the State Approving Agency for Veterans Training and training of dependents of veterans who qualify. Go to www.uu.edu/financialaid/veteranservices.cfm for information on obtaining these benefits. Check with the Office of Student Financial Planning as soon as possible after enrolling in courses.

Endowed Scholarships

Union University administers numerous privately endowed scholarship funds. Many are designated for students preparing for specific vocations. A full listing of privately endowed scholarships, church endowed scholarships and non-endowed scholarships is available on the Financial Aid web page. All are awarded based on student eligibility and availability of funds. The Application for Undergraduate Admission and Scholarship Assistance serves as the application for these endowed scholarships.
