

ADULT STUDIES/NURSING

BACHELOR OF SCIENCE, RN TO BSN TRACK

The Union University School of Nursing offers its program leading to the Bachelor of Science in Nursing (Basic BSN track and RN to BSN track). The RN to BSN track for Registered Nurses is offered on both the Jackson and Germantown Campuses. The E-campus track offers online nursing courses to enhance flexibility for adult study stuents. The program is approved by the Tennessee Board of Nursing and accredited by the Commission on Collegiate Nursing Education. CCNE may be contacted at One Dupont Circle, NW Suite 530, Washington, DC 20036-1120 or 202-887-6791.

For additional information, including direct contact information to program personnel, check www.uu.edu/academics/son.

The School of Nursing encourages the educational mobility of registered nurses holding the associate degree or diploma in nursing. All registered nurse students take NUR 333 upon entering the B.S.N. program. Upon successful completion of NUR 333, the student is awarded 37 hours of Nursing credit.

RN to BSN students are strongly encouraged to hold membership in the Tennessee Nurses Association (TNA).

Program Admission

An applicant must apply to the University and meet University admission requirements as well as:

1. Provide evidence of graduation from a state-approved school of nursing and hold current R.N. licensure.
2. Make application to the RN-BSN Program.
3. Submit official transcripts from all post-secondary institutions attached. The required minimum GPA on all course work is 2.8.
4. Students will be charged for the school's group policy liability insurance when participating in a nursing course that requires a clinical experience.
5. Maintain current American Heart Association (AHA) CPR for Health Care Provider certification throughout the nursing program of study.
6. Fully complete a University Health History Form and a Physical Examination Form signed by a practitioner qualifying the applicant for nursing education. Provide documentation of current

immunizations, including tetanus booster within the past 10 years, an acceptable Hepatitis B titer and Rubella immunization. Documentation of a negative screen for tuberculosis (skin test or chest x-ray) within the past 12 months is required. This data should be submitted on the form supplied by School of Nursing.

7. The student must provide documentation of current individual health insurance when participating in a nursing course that requires a clinical experience.

License Renewal

Registered Nurses may be admitted as non-degree seeking students to renew their Tennessee Nursing License. See the Department Chair for details.

Assessment of Majors

Majors may be required to take the National League of Nursing (NLN), ATI, or other standardized nursing tests throughout the program of study.

Course Offerings in Nursing (NUR)

() Hours Credit

All descriptions are found in the basic program except the following course tailored for the RN-BSN Track:

306. Scientific Writing in Health Care (1) F, S

Prerequisite: ENG 112.

This course will focus on effective writing skills, selecting and using scholarly resources, as well as the APA format.

333. Concepts of Professional Nursing (3)

The focus of this course is to acclimate the returning RN student to the professional nursing concepts found in wholistic nursing as derived from theory or research and include critical thinking and communication. This course also provides an emphasis on elements of professional writing, portfolio development and life-long learning.

410. Pharmacotherapeutics in Nursing Practice (3) S

The biochemical and psychological effects of drugs on the wholistic person in a multicultural society. Nursing process with different classifications of drugs is emphasized. Historical, economic, legal, and ethical issues are identified.
