Post-Baccalaureate Requirements

(For post-baccalaureate initial licensure and add-on endorsements)

Official transcripts. Students who seek post-baccalaureate teacher licensure must first complete the Graduate Studies in Education Application and a \$25.00 (non-refundable) application fee. The candidate must order official transcripts from all colleges and universities that have been attended; these transcripts must be sent directly to Union University and may not be stamped "Issued to Student."

Transcript evaluations. After the candidate has submitted the Graduate Studies in Education Application and \$25.00 application fee and official transcripts have been received, the candidate should call the Assistant Dean for Teacher Education and Accreditation for an appointment for a transcript evaluation. Post-baccalaureate candidates must have a transcript evaluation completed by the Assistant Dean prior to starting classes; if the licensure program takes more than two years to complete, the post-baccalaureate candidate should have another evaluation completed. At this meeting the candidate will be apprised of course work that remains, TEP status, Praxis II requirements, any proposed changes in licensure requirements, and alternative licensure options.

Application to the TEP. The application to the TEP is submitted with the Graduate Studies in Education Application. The candidate must be fully admitted to the TEP by the completion of 9 semester hours. Candidates must be fully admitted to the TEP prior to student teaching.

Admission to the TEP. Post-baccalaureate candidates for initial licensure must meet the following requirements for admission to the Teacher Education Program.

1. Satisfactory score on the Praxis II Speciality Area Content Knowledge Test for the endorsement being sought.

Admission to student teaching. Candidates must file an application to student teach before the posted deadline during the semester prior to student teaching. Applications are available at www.uu.edu/programs/tep. Other requirements for student teaching are as follows:

No courses may be taken during the semester of student teaching. During the semester of student teaching, seminars are held on Thursday afternoons from 3:30-5:00 in Jackson, and attendance is mandatory.

Application for teacher licensure. Applications for Tennessee teacher licensure are completed during a student teaching seminar and are filed with the Tennessee State Department of Education when all requirements are completed.

Transitional License Program. In accordance with Tennessee's Transitional license policy, Union offers teaching endorsements in all secondary areas, Elementary K-6, Early Childhood Pre-K-3, Middle Grades 4-8, and Special Education Modified K-12 and Comprehensive K-12. Candidates for secondary endorsements qualify to be hired on the Transitional license if they have completed a major in the intended endorsement, have 24 semester hours in the intended endorsement area, or have passed the Praxis II content knowledge test for the intended endorsement (<http://www.state.tn.us/education/lic/nte.shtml>). Candidates for K-6, Pre-K-3, 4-8, and Special Education must be fully admitted to the Teacher Education Program, which requires, among other criteria, acquiring a minimum score on the Praxis II 0014 EE:CK or 0146 MG:CK test and successfully completing at least 3 courses, to qualify to be hired on the Transitional license. For more information about the Transitional license, contact the Office of Teacher Education.

Academic Policies

Minimum GPA requirements. Minimum GPA's are listed above. Following admission to the TEP, if the GPA drops below the minimum, the student is removed from the TEP and may only repeat courses to raise the GPA. When the GPA is at or above the minimum, the student will be submitted for readmission to the TEP.

Early field experiences. As is required by national standards and by the Tennessee State Department of Education guidelines, early field experiences are a vital part of the TEP at Union. The purpose of these early field experiences is to introduce the prospective teacher to a variety of school settings, learners, and routine activities. The knowledge and skills introduced in course work will be refined in the early field experiences.

Proof of professional liability insurance is required of all students enrolled in courses with field experiences. This expense is the responsibility of the student. Options for this coverage include, but are not limited to, membership in Student Tennessee Education Association, Christian Educators' Association International, or Professional Educators of Tennessee. Liability insurance is also available through Union University. Information about each of these options is available through the Assistant Dean.

Background check and fingerprinting. In accordance with TN Code Ann. §49-5-5632, all teacher candidates must supply a fingerprint sample and submit a criminal

history records check by TBI prior to beginning coursework. Information available at www.uu.edu/programs/tep.

Portfolio. The candidate must attend a LiveText workshop while enrolled in EDU 535 Portfolio Submission in the first semester of enrollment. A portfolio fee will be charged to the candidate's account. The candidate will submit the portfolio in the first semester. The final portfolio will be submitted in student teaching or in Mentoring Seminar II. The Teacher Education Handbook, Vol. I is available in the portfolio template.

Appeals. The School of Education is charged with the responsibility to follow the established policies for admission to and completion of the TEP. The Teacher Education Committee, which includes representatives of the faculty from across the university, is the TEP coordinating and policy-making body for the unit and is responsible for assuring that the established policies are followed. If the student feels that established policy or practice is not being followed, the Teacher Education Committee should be contacted. The Teacher Education Committee is also the appeals committee for the TEP. All appeals for variance from established policy and practice should be presented in writing to the Dean of the College of Education and Human Studies. The Dean will consider whether the appeal may, within established policy, be granted. If the appeal has been denied by the Dean, the student may choose to direct the appeal to the Teacher Education Committee. The student should contact the chairman of the TEC and present the appeal in writing. After the TEC has considered the appeal, the student will be notified in writing of the committee's determination.

Assessment of student outcomes. The candidate will submit part of the portfolio throughout the program. The portfolio will present evidence that the candidate has met performance standards in professional education as set by the TN Department of Education and based on INTASC standards. To be admitted to student teaching, students must acquire passing scores on all applicable portions of the Praxis II as determined by the Tennessee State Department of Education. The Praxis II should be taken at least one semester prior to the beginning of student teaching to assure receipt of passing scores.
