The purpose of the Education Specialist in Educational Leadership is to prepare leaders who will make a difference as moral agents and sensitive social advocates for the children and the communities they serve; who will focus on the central issues of learning and teaching and school improvement; who will make strong connections as they reflect Christian values with others as individuals and as members of the educational community.

Objectives of the Program

Students in the Ed.S. in Educational Leadership Program will:

1. Demonstrate within their disciplines advanced knowledge and skills.
2. Display competency in the critical evaluation of issues, trends and methodologies.
3. Demonstrate the ability to apply research that extends the body of knowledge in the field.
4. Enhance their ethical decision-making ability through an academic environment integrated with the Christian faith.
5. Build intellectual and moral knowledge to cope with a pluralistic world in order to better serve communities and their schools.

The objectives are met within the context of a set of standards developed by the Educational Leadership Constituent Council of the Council for Accreditation of Educator Preparation (CAEP).

Program Description

The Education Specialist (Ed.S.) in Educational Leadership is offered along three concentrations: (1) Instructional Leadership (IL), a licensure track designed to prepare school principals and supervisors of instruction; (2) Teacher Leadership, a non-licensure track designed for teacher leaders who desire knowledge of concepts and strategies for school and classroom leadership; and (3) Leadership is School Reform, a non-licensure track for educators with a degree, license, or experience in school leadership. The degree is based on Union's conceptual framework of A Teacher-Student Dynamic of Sensitivity, Reflection and Faith. Union University desires to prepare school leaders who are grounded in and committed to excellence in teaching and learning with values based on our Judeo-Christian heritage.

The Cohort Approach. The program accepts students in groups to pursue each course together in a cohort. Lifelong friendships are developed through this format, and learning takes place in a spirit of unity, rigor, and cooperation.

Program Delivery and Calendar. Students will be accepted into cohorts who will complete the program utilizing an innovative delivery system designed to meet the needs of educators. Ed.S. students will begin the program with a course offered on Saturdays in February and March. The Summer term involves an intensive two months. Time is provided during the summer for library research, group projects, independent reading, and Practicum hours. In the fall, instruction occurs on Saturdays for a course in September and October, followed by other courses offered on Saturdays in November-December. Saturdays are utilized for courses offered January through May. The guiding principle is that students will complete one course before moving to another.

Instructional Leadership students begin the Practicum in their second semester. The Practicum runs through May of the second spring of the program. Students and faculty maintain online contact during the intervening weeks and months in support of course assignments. Saturdays are also utilized for courses offered January through May. In May students complete their Practicum and, with Teacher Leadership students, present their Leadership Growth Papers.

In the final spring semester, IL students take the Praxis II School Leader's Licensure Assessment (SLLA) for licensure. The program enables the candidates to advance through Tennessee’s licensure system. Passing this test is also a requirement for graduation.

The Leadership in School Reform cohort completes courses online in a predetermined sequence with most activities being asynchronous. Occasionally, School Reform students will be expected to participate in synchronous webinars, which are planned in advance.

Each cohort is presented its unique calendar for the complete program. Current Ed.S. calendars are available at www.uu.edu/eds/.
