Program Purpose
The purpose of the M.A.Ed. program is to provide relevant continuing programming for educators seeking a diversity of knowledge, skills and values for post-baccalaureate preparation and licensure.

Objectives of the Program
Students in the M.A.Ed. program will:
1. Enhance their knowledge, skills and values relating to the major issues facing today’s practitioners in education.
2. Apply research skills to current education problems.
3. Augment current licensure with new licensure programs.
4. Initially prepare, for some individuals with non-education degrees, to become licensed teachers.
5. Be encouraged in their Christian commitment and service to society.

Assessment of Outcomes
The M.A.Ed. utilizes these means of assessment for the five objectives above. The number of each objective to be assessed is listed in parentheses beside each means of assessment.

- Coursework and teacher-devised assessments (1,2,3,4,5)
- Course evaluations (1,2,5)
- Alumni questionnaire (1,2,5)
- Thesis (for thesis-track students) (1,2,5)
- Capstone Research Seminar (1,2,5)
- Field experience (1,2,3,4,5)

Admission to Graduate Coursework
All students, whether degree-seeking or non-degree-seeking in the M.A.Ed. program, who desire to take graduate courses in education at Union University must meet prescribed admission criteria. After admission, the student may take courses for personal or professional growth, seek teacher licensure, or pursue the Master of Arts in Education Degree. Some students may choose to seek the M.A.Ed. as they complete their teacher licensure.

Applicants desiring to take graduate courses in education should submit the following to the Office of Graduate Studies in Education:
2. Application processing fee of $25.
3. Official transcript(s) showing all course work, completion of baccalaureate degree(s), and all graduate credit previously attempted. Even if withdrawal occurred prior to earning credits and even if those credits do not apply to the current degree being sought, official transcripts must be sent from each institution.
4. Director interview.
5. Official transcript(s) indicating a minimum grade point average (GPA) of 3.0 on a 4.0 scale of all undergraduate and post-baccalaureate coursework combined.

For short courses designed primarily for license renewal, only the following admission criteria will be required. Students should submit an Application for Admission to Graduate Studies in Education, a $25 application fee, a copy of their teaching license or an official transcript showing completion of a baccalaureate degree. If the student decides to seek the M.A.Ed. or take coursework other than the short courses, all requirements for full admission to graduate studies must be submitted. Note: A maximum of six semester hours taken in this short-course format may be used to satisfy M.A.Ed. requirements.

Conditional Admission to Graduate Coursework
Applicants who do not meet the minimum GPA requirement of 3.0 will be required to successfully complete a full 500-600 word writing sample. Subsequently, if the writing sample is adequate, the student will be placed on a conditional admission status for the first nine hours of graduate work at Union University. After successfully completing nine graduate hours of at least 3.0 grade average work, the student may be fully admitted to pursue graduate studies in education.

If a student fails to successfully complete the first nine hours with a minimum GPA of 3.0, the student will be suspended from the University for one full semester before re-application can be made to Graduate Studies in Education.

Undergraduate students in their last term of course work who, after registering for all courses required for graduation, need additional hours to be classed as full-time students, may be allowed to register for one graduate course for graduate credit.
Admission to the Master of Arts in Education Degree Program

In addition to the above admission criteria for applicants desiring to take graduate courses, those seeking admission to the M.A.Ed. Degree Program should submit the following to the Office of Graduate Studies in Education:

1. An official report showing an acceptable score on the Miller Analogies Test, National Teacher Exam, Praxis II Specialty Area Test, Graduate Record Exam, or adequate writing sample essay.
2. Two completed Reference Evaluation forms. These references must be from persons who are familiar with the applicant’s professional or academic abilities. If the applicant is currently teaching, at least one recommendation should be from an administrator or supervisor who is familiar with the applicant’s work as a teacher. Forms are available in the Office of Graduate Studies in Education. If the student is seeking teacher licensure, forms are available in the office of the Assistant Dean for Teacher Education and Accreditation.
3. Any student seeking initial teacher licensure must submit a Praxis II score in their intended endorsement area before beginning coursework. A Praxis Tutorial will be offered to those students who have not already passed the test.

Conditional Admission to the Master of Arts in Education Degree Program

Students who do not meet the minimum GPA requirement or the minimum test score requirement for admission to the Master of Arts in Education Degree program will be required to successfully complete a full 500-600 word writing sample. Subsequently, if the writing sample is adequate, the student will be placed on conditional admission status for the first nine hours of graduate work at Union University. After successfully completing nine graduate hours of at least 3.0 grade average work, the student may be fully admitted to the Master of Arts in Education Degree Program.

Conditional admission is not available for applicants to the M.A.Ed. Intensive Option.

Advisement

The Dean of the College of Education will assign the student to an advisor who will, with the student, develop a Program of Study which will be placed in the student’s file in the Office of Graduate Studies in Education in the School of Education. The student will consult with the advisor prior to each registration to plan courses.

**Admission to Candidacy for the Master of Arts in Education Degree**

An important step in the student’s progress toward the Master of Arts in Education Degree (thesis and non-thesis options only) is admission to Candidacy. Students will be admitted to degree candidacy status only when the following conditions have been met.

1. Interview with the M.A.Ed. Program Director.
2. Development of a program of study.
3. Completion of at least 18 semester hours in the program, including EDU 650, Educational Measurement and Evaluation.
5. A minimum grade point average of 3.0.

Additional Candidacy Requirement for Thesis-Option Students: Students completing the thesis option of the program must have degree candidacy before beginning the master’s research. In addition to the candidacy requirements above, thesis option students will be required to submit a research proposal which has been approved by the student’s research committee. It is the responsibility of the student to consult with the M.A.Ed. Program Director regarding the
formation of the research committee. The approved research proposal must be filed in the Office of the School of Education before candidacy is granted.

The student will receive written notification when degree candidacy status has been achieved.

**Full-Time Students**

A graduate student enrolled for 9 or more hours during Fall or Spring Semester will be considered full-time. A student enrolled for 6 or more hours during the Summer or 3 or more graduate hours in term less than 15 weeks will be considered full time.

**Transfer of Credit into the M.A.Ed. Degree Program (Thesis and Non-Thesis Options Only)**

Up to nine semester hours of graduate credit from a regionally accredited college or university may be transferred into the degree program at the time the student is admitted to the program, provided the grades received in those courses were B or higher. Work being transferred into the program must have been completed within five years prior to admission to the program.

Transfer of credit after the student has been admitted to the degree program (transient credit) will be acceptable provided (1) the total semester hours of transfer credit does not exceed nine hours, (2) the grade received in the course is B or higher, and (3) written approval of the course being taken has been obtained from the Dean of the School of Education prior to taking the course. A maximum of six hours of workshop/short course/video course credit may be transferred.

**Courses Taken by Non-Degree Students**

A maximum of twelve hours of graduate work taken at Union before a student is admitted to the degree program may be used to satisfy the M.A.Ed. requirements.

Courses taken by non-degree students prior to admission to degree-seeking status may be used to satisfy the Master of Arts in Education Degree requirements provided the student has met all degree-seeking admission criteria at the time the M.A.Ed. Program of Study is filed in the graduate program office. The Program of Study is planned and filed by meeting with the M.A.Ed. program director. Students should make this appointment with the M.A.Ed. director as soon as possible after degree-seeking admission criteria are met.

**Option Three: M.A.Ed. Intensive Licensure Program**

**Program Purpose**

The contemporary design of this program is future-directed as it reflects new ideas in teacher preparation, which include the Mentorship model, Student Teaching, and other clinical experiences, an emphasis on diversity, and balanced pedagogical responses to standards-based schooling. It encourages academic excellence in teaching and learning at the graduate initial licensure level as well as an emphasis and integration in Christ-centered values in all courses.

**Program Goals**

- To provide a quality, effective one-year track for initial teacher licensure at the master’s level
- To develop effective teachers who synergize the roles of scholar, practitioner, and relater
- To connect pedagogical theory and practice
- To prepare teachers as leaders of learning and change
- To facilitate and model teaching guided and informed by Union University’s core values

**Program Description**

This new track allows a third option for candidates who want an intensive one-year program for licensure. A minimum of 33 semester hours of approved graduate work is required for completion of the Intensive option of the M.A.Ed. degree. This option is designed along two possible tracks:

1. Serve as a licensure, job-embedded practitioner or student teaching degree for 4+1 candidates at Union: Candidates complete an academic content major. If admitted, students are eligible to complete the M.A.Ed. after they graduate with the baccalaureate degree.

2. Serve as a licensure, job-embedded practitioner or student teaching degree for post-baccalaureate candidates from other regionally accredited institutions: Candidates who come to Union with a bachelor’s degree in an academic content major from another regionally accredited institution may apply for admission to the Intensive M.A.Ed. The Practitioner Candidate is a person employed by a school district as a teacher of record and who is serving on a Tennessee job-embedded practitioner’s license. No transfer hours are accepted in this 33-semester hour program.

**Schedule and Admission**

The M.A.Ed. Intensive Licensure Program is offered as another track in the Master of Arts in Education degree, serving as a one-year, intensive practitioner or student teaching program of teacher preparation beginning in August and ending the following July.

All candidates to be admitted to this M.A.Ed. program must pass the content knowledge Praxis exam for the intended endorsement and successfully complete a writing sample. All candidates are interviewed by the program director, who brings her/his recommendation to the Graduate Admissions Committee. Given the intensive nature of the program, “conditional admission” status is not available; students must have a cumulative undergraduate GPA of 3.0.
Students will be placed either on the job-embedded practitioner track or student teaching path. Evenings and Saturdays are used for courses concurrent with the teaching role or student teaching. Each practitioner candidate will be assigned, in cooperation with a local school system, a mentor teacher in August. Each student teacher candidate will be assigned a cooperating teacher in the spring semester. Additionally, the university will assign a coach or university supervisor for each candidate.

**Curriculum for M.A.Ed. Intensive Program (33 semester hours)**

Courses are offered in a combination of weeknights and Saturdays during each semester, with no more than two courses overlapping.

**Financial Information**

The registration of a student signifies an agreement by the student to fulfill the related financial obligations.

There are three methods for the payment of expenses.

1. All expenses may be paid in full prior to or on the day of registration.
2. Payment may be made in two equal payments, with one-half due at the time of registration and the balance due halfway through the term. A 1.5% service charge will be added to the unpaid balance following the initial payment.
3. FACTS payment plan.

For students who have a definite commitment of financial aid from the Student Financial Planning Office of the University, the difference between the total cost for the term and the financial aid allocation is the amount payable by the student to the University.
