The West Tennessee Pastors Conference extends our sincere appreciation to Dr. David Dockery, Dr. Jerry Tidwell, Mr. Larry Vaughan, and the staff of Union University. Also, we express thanks to Aramark dining services.

Our persistance to bringing people into the Kingdom involves the commitment to doing “whatever it takes!” The story of Mark 2:1-12 is an example of God blessing a “whatever it takes” attitude. When the friends of a paralytic man could not get near Jesus because the crowd had the door blocked, they didn’t give up. They literally tore the roof away and dropped the man down to be healed by Jesus. God will bless our “never give up” and “whatever it takes” faith as well.

“Whatever it takes!”
Mark 2:1-12
Message from the Conference President

I am so excited about this year’s West Tennessee Pastors Conference. My prayer is that we will receive instruction and inspiration from each one of our meetings together. The speakers lined up are all very gifted men who are reaching people for Christ in their own unique way.

Our theme for this year is “whatever it takes!” Each speaker will share their own experiences about how they are reaching their Jerusalem for Christ. I hope you will join us for an exciting year of fellowship, innovative ideas, preaching, and worship. I am looking forward to seeing you on September 16th!

Ronnie Coleman, President
