2012 Technical Registration Form

**Group Classification:**

Group Name____________________________________________________________
Group Leader/Contact Name____________________ Leader’s Box Number___________
Leader’s Student ID___________________ Leader’s Cell (_____)(____)____________
Leader’s Email___________________________________________________________

**Presentation Format:**

*Please tell the general order, as much detail as you know, of events in your act. Include timing, songs, lights, microphones and sound, instruments, video, props, etcetera. This will be better outlined in your Technical Script. Please submit 3 copies of CDs with this submission.*

______________________________________________________________________________
______________________________________________________________________________

**Audio Needs:**
Please list audio equipment needs (microphones, instruments, and tracks). If using over three instruments, please attach a stage plot of how stage is to be set-up. Groups who have video and audio tracks need to submit both on one DVD. Even if the groups are not using video all audio track should be on one CD. To ensure constant timing the CD should be able to start and play untouched through the entire act. We will do our best to accommodate all needs. This will be better outlined in your Technical Script. Refer to section VII, G.

______________________________________________________________________________
______________________________________________________________________________

**Lighting Needs:**
Please list the lighting that you would like to have (color, spotlights). For more information see section VII, I.

______________________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________
______________________________________________________________________________

**Video Needs:**
Since Variety Show is a professional event only the top quality videos will be shown and are subject to approval. If using multiple clips or audio track, they must all be compiled on one DVD. In keeping with the live performance of Variety Show, please use video sparingly and as an enhancement only. For more information see section VII, F.

• **Group Technical Assistant:** All groups must have a Technical Assistant who can conference with the Civic Center technical personnel about lighting, sound, video, and timing of the group. This individual will not perform in the groups act but needs to know the act extensively.

  Technical Assistant ___________________________ Assistant’s Cell (______)________________

**Group Seating:**

Since students come to support certain acts it is more fun for them to sit together. Organizations can buy block seats for their group. **SAC has complete discretion on seat placement, and the organization will be charged for the amount of seats ordered. Tickets will need to be picked up at the SAC office April 9-11. All tickets not picked up and paid for by this date will be forfeited. Payment for tickets is due at time of order. Performers and backstage crew do not have to buy tickets, but everyone else does. Due to the volume of requests, group seating orders must specify the Union student, Union staff, and adult quantities.

  Student tickets desired: ______________________
  Union Faculty tickets desired: ______________________
  Adult tickets desired: ______________________

Continued
**Technical Script:**

By April 5, 2012, a technical script is required for all the technical aspects of the show to run smoothly. A row should be created whenever something new is taking place. Here is an example of the technical script. Model your organization’s script after this one. When referring to lighting please reference the Lighting Guide below. Please email your completed script to Matt Parker at matthew.parker@my.uu.edu by April 5th. Please be as detailed as possible, since the show’s technical crew will follow this script.

**Lighting Guide:**

The stage setup shown below illustrates the areas on the stage that can be lit with precision. Please note the appropriate number and letter from the diagram in your technical script lighting section. (See example above).

**Consent Policy:**

With a professional event like Variety Show, it is important that rules are followed in order to ensure success. Please have all members both performing and nonperforming who are involved in Variety Show to read the consent agreement and sign their name.

I have read and understand all guidelines, regulations, and polices that are related to Variety show and I agree to abide by all said procedures of the Event Guidelines Packet. I understand that failure to follow guidelines will result in my group losing points, receiving fines, or being disqualified. I will assist my group to fulfill these policies.
Submission Checklist:
There are many parts to the Technical Registration form. Here is a helpful checklist to ensure all of the proper materials are submitted.

- 3 copies of the groups compiled audio CD, with group name, act title, and group leader’s phone number on the CDs, only for acts with no video. See Technical Regulations VII, G.
- Sketch/pictures of costumes
- Sketch/pictures of set design and props
- If applicable, audio stage plot
- Emailed Technical Script
- 3 copies of the groups compiled DVD, with group name, act title, and group leader’s phone number on the DVDs
- Money for group tickets
- Signed up for practice times
- Completed all elements of the Technical Registration form

Application Submission Process:

- This form can be turned in as early as April 2, 2012, but is due by April 5, 2012 by 3:00p.m. to the SAC Adviser’s office (SUB RA-58; 731-661-6565).
- This form will be reviewed by the Variety Show Procedures Committee and a decision will be sent to the group leader’s email in a timely manner. If corrections need to be made the group has 2 business days to return the item corrected to the SAC Adviser.
- Once entries are confirmed and conflicts resolved, no changes may be made without prior consent of the Variety Show Procedures Committee or SAC Adviser.
