Further Information:

- Arrange the items on your reference list **alphabetically** by **author**, interfiling books, articles, etc.
- Double-space all lines.
- Indent the second and following lines 5 spaces (or one half inch).
- If no author is given, start with the title followed by the date.
- Use only the initials of the authors' first and middle names.
- **Websites:** if the date the page was created is not given, use **(n.d.)**.
- For additional examples not listed here, see the print version of the *Publication Manual of the American Psychological Association* shelved at the reference desk.
