

From the liaison corner

Hello fellow SRNA's. Thank you all for your support at the TANA Annual meeting. We would like to take this opportunity to recognize the past TASNA liaisons and the wonderful job they did in 2006.

TASNA has so much potential with many possibilities and opportunities for the future of our organization. The key is student participation. We understand that time is one thing that all of us are lacking. So the question you have to ask yourself is if the time I have is worth spending on TASNA/TANA? The time that you do spend will give you a sense of involvement in our state organization as well as great networking opportunities! "Involvement" may be as little as filling out questionnaires or as much as helping to organize our student meeting.

We will be sending out information from time to time regarding upcoming meetings with TANA/TASNA. Be on the lookout for involvement opportunities. If you feel that you would like to be more involved please let us know.

It is our hope that 2007 will be a great year. Speaking of 2007, we are sending you a notice of all of the upcoming meetings that you may want to attend. Thanks again, and we look forward to working with all of you!

Mark your calendars!!! Here are some important dates to remember for 2007.

There will be other dates to follow. Please be aware that each school receives \$600 to be used for student participation in meetings each year. Contact your TASNA rep for more details or talk to your program director.

When	What	Where
January 27	TANA BOD meeting/retreat	Montgomery Bell State park
Feb 22-24	Assembly of school faculty	Orlando, FL
