Full Semester evening classes extend their meeting time to recover lost class time

February Accelerated EVENING classes*

In addition to their regularly scheduled meetings -

Monday A1 classes will also meet Wed., Feb 20 6-10:00p in their assigned classrooms
& possibly an additional Saturday meeting.

Tuesday A1 classes will also meet Wed., Feb 27 6-10:00p in their assigned classrooms
& possibly an additional Saturday meeting.

Thursday A1 classes will also meet Wed., March 5 6-10:00p in their assigned classrooms
& possibly an additional Saturday meeting.

* On a course-by-course basis, faculty will determine if the 2nd Saturday make up session is necessary. If so, the faculty, in conjunction with the class members, will determine the meeting time that occurs no later than Saturday, March 15. Some classes may be able to work outside the classroom by alternative instructional methods rather than schedule an additional Saturday meeting.
