

# The Hundley Center for Academic Enrichment

Located up the spiral stairs on the second floor of the library

Open M,T,R 1-8 pm and W 1-5 pm

[www.uu.edu/programs/hundleycenter](http://www.uu.edu/programs/hundleycenter)

We currently offer free peer tutoring in the following disciplines:

Math, English, History, Christian Studies, Biology, Chemistry, Nursing,  
Accounting, and Music.

Tutors are hired based on Professor recommendations so contact the  
Director ([charris@uu.edu](mailto:charris@uu.edu), x5951) if you want to nominate a new student  
to join the team.

Our tutors are able to edit papers, supplement classroom explanations of  
concepts, run through notes, and aid in test preparation.

The Director, Cassie Harris, assists students with learning disabilities, offers  
accountability to those on academic probation, and provides one-on-one  
academic coaching for any student in the way of time management,  
organizational, and study skills.

Now more than ever please encourage your student to 'Spiral Up' to see us or  
simply have them visit: [www.uu.edu/programs/hundleycenter](http://www.uu.edu/programs/hundleycenter) to make an  
appointment.

**And coming soon...**

To better serve our displaced students we will soon be offering 24/7  
online tutoring. Keep checking our website for details!
