Union University provides non-traditional programs and services aimed toward the adult student. Appropriate contact personnel are noted below as each program and its requirements are detailed. Each program office provides service for admissions, registration, academic counseling and a variety of other services which are located in a number of different offices for the traditional undergraduate student. By concentrating these services in one office, Union University hopes to provide better and simpler service to the adult learner.

The McAfee School of Business Administration offers a program of study which leads to the Bachelor of Science in Business Administration majoring in Professional Public Accounting. The McAfee School of Business Administration offers a degree completion program in management, the LAUNCH Program, leading to the Bachelor of Science in Organizational Leadership degree. The School of Nursing offers a program for Registered Nurses to complete the Bachelor of Science in Nursing degree. The School of Nursing offers this same program for Registered Nurses on the Germantown Campus. The R.G. Lee Center for Christian Ministry offers two programs in church ministry leading to the Diploma in Christian Ministry and the Associate of Divinity degree.

Admissions Policies

Adult students will normally apply as transfer students from another college or university or as readmitted Union students. Adults who have already taken college courses will apply to Union as transfer students if they have completed more than 12 semester hours of transferable credit at an accredited college. Otherwise, the applicant must meet freshman admission requirements found elsewhere in the Catalogue. Degree programs may have additional requirements for entry into the program.

Transfer Students

The academic status of a transfer student will be based on his/her cumulative GPA of all accredited post-secondary work attempted. The admission file of a student having less than a 2.0 cumulative GPA will be presented to the Undergraduate Admissions/Readmissions Committee. The student may be denied admission, admitted on probationary status (as stated in Academic Catalogue), or admitted in good standing. The determination of the above decision shall be the full academic record, recommendations, and the explanation of any extenuating circumstances.
A. BEFORE ADMISSION INTO UNION UNIVERSITY MAY BE GRANTED, an adult transfer student must file the following information with the appropriate program director/coordinator:

1. A completed admissions application.
2. Application fee (non-refundable), $25.
3. A completed official transcript from all institutions of higher learning attended.

B. BEFORE REGISTRATION FOR COURSES, a student must be admitted to the University or be granted status as a “provisional student” (as stated below).

**Readmitted Students**

Any student once having been admitted to Union University and then missing one or more semesters (fall or spring) must be readmitted by the following process:

1. Complete a new application (fee is not required).
2. Clear all previous academic, social, and financial obligations.
3. Submit official transcripts from any undergraduate institutions attended since leaving Union.

**Provisional Students**

Students may be admitted on a provisional basis to allow those with acceptable credentials but without immediate access to official documents to register for classes. A student may be admitted to any course(s) for which he/she is qualified to enter but not admitted to a formal degree program and not eligible to graduate in this status. Any credit taken while in this status will not be transferred as regular matriculated credit until the status has officially been changed; credit will be marked “non-matriculated, non-transferable.”

The provisionally admitted student will be bound by all general academic requirements imposed upon regular matriculated students so far as prerequisites, amount or work and quality of work are concerned. All work completed or attempted will be fully documented in the Academic Center.

The student will sign a contract at the time of admission accepting the limitation of that status. The student must also sign a waiver allowing Union University to request those documents needed to complete the admission file. By federal guidelines, the university is not allowed to file financial aid and Veterans benefits enrollment forms on provisionally admitted students.

A student may remain on provisional status for only one semester and the subsequent short term unless special circumstances exist and permission for an extension is given in writing by the Admissions Committee. Admission to a provisional status does not guarantee admission later as matriculated. A personal conference with the Director of Admissions or Program Director is required before the student is accepted for admission on a provisional basis.

**Students Not Seeking A Degree**

Adults desiring to take courses for personal enrichment, special interest or to enhance employment opportunities without formally pursuing a college degree may apply to do so as non-degree seeking students. A special application form and streamlined Admissions process have been created for this purpose.

Students may have non-degree status for a maximum of 12 hours at Union after which a degree must be declared. Classes may be taken for credit or audit; however, courses are offered for audit on a space-available basis to attempt to ensure that students seeking credit are served. For certain programs, audit will not be permitted.
Non-degree students may change to degree-seeking status by meeting all requirements for admission. A personal conference with the Coordinator of Adult Studies is required before the student may be accepted for admission to courses offered in Jackson as a non-degree student. R.G. Lee Center non-degree students are referred to the Program Director; students wishing to take courses as a non-degree in Germantown, should contact the Germantown Coordinator of Programs.

Non-degree students will be charged $250 per semester hour for evening only courses and $365 per semester hour for day courses in addition to any applicable course fees.

**Academic Forgiveness Program**

Union’s Academic Forgiveness Program is designed for students who, at an earlier period in their life earned a poor college academic record. The second chance is available to students who can demonstrate they are now prepared to be academically successful. Information is available through the student’s program director/coordinator.

**Special Advanced Placement Policies**

Nationally recognized programs will grant credit at Union University upon successful completion. A maximum of 32 semester hours toward graduation will be accepted from the Advanced Placement Program of the College Entrance Examination Board (CEEB), the College Level Examination Program (CLEP), DANTES SST and Correspondence. Credit will be awarded to veterans for training received in the military service in accordance with recommendations of the American Council on Education (ACE). Specific policies for each program may be found in the Admissions section of this Catalogue.

**Financial Policies**

Tuition and payment plans are program-specific. For additional information, see the program director/coordinator of your program. Union University reserves the right to change the tuition and fees without notice. Student Service fees for students in non-traditional programs are $20 per semester (Fall, Spring) and $10 per term (January, June, July). Certain courses in special programs will carry an additional fee. For a listing of fees for materials, laboratory, nursing clinicals, music and private lessons, and testing, see the Financial Information section of this Catalogue. Evening courses taken through cross registration at another college will be billed at the rate appropriate for day or evening. Audited courses are billed at a rate of $110 per semester hour plus any course-specific fees.

University refund policies are printed in the Financial Information section of the Catalogue. Questions regarding program specific financial policies should be directed to the program director/coordinator.

**Financial Aid**

Students enrolled in non-traditional programs may apply for financial assistance to attend Union University. Acceptance to the program is required. The student must file an institutional application for financial assistance and the Free Application for Federal Student Aid (FAFSA). Undergraduate students will be awarded Pell Grant based upon eligibility and may apply for Stafford Loans. Check with your program director/coordinator for forms and details.
Employee Reimbursement

Union University offers financial arrangements for students employed by companies which have tuition reimbursement programs. Forms and instructions on taking advantage of these arrangements are available through your program director/coordinator. Forms must be submitted each semester or term to qualify for the arrangement.

Academic Policies

Academic policies of the university are considered in force throughout the Adult Studies programs unless specifically noted otherwise within the program description. Program-specific policies and evaluations of course credit toward graduation are not automatically transferrable between programs; reevaluation is required with a change of program.

General Core Curriculum requirements for Non-Traditional Programs follow the pattern outlined below unless courses are specified differently by the program and noted accordingly in program requirements:

A. Composition/Speech, 9 hours:

EMail: lhannah@uu.edu
FAX: 901-759-1197

The Union University School of Nursing offers its program leading to the Bachelor of Science in Nursing (Basic BSN track and RN to BSN track). The RN to BSN track for Registered Nurses is offered on both the Jackson and Germantown Campuses. The program is approved by the Tennessee Board of Nursing and accredited by the National League for Nursing Accrediting Commission. NLNAC may be contacted at 350 Hudson Street, New York, NY 10014, or 212-989-9393.

The School of Nursing encourages the educational mobility of registered nurses holding the associate degree or diploma in nursing. The transfer of academic nursing credits is made possible by offering a validation course to all registered nurse students, NUR 300. This course, once successfully completed, will serve as validation for associate degree or diploma learning. The student will be awarded 37 hours of nursing credit.
The University shares articulation agreements with area colleges (Jackson State Community College, Dyersburg State Community College, Northeast Mississippi Community College, Northwest Mississippi Community College, Shelby State Community College, University of Memphis) for the purpose of accommodating the learning needs of students while minimizing the repetition of non-nursing learning experiences.

RN to BSN students are strongly encouraged to hold membership in the Tennessee Nurses Association (TNA).

I. Program Specific Policies: current RN licensure
II. Program Admission, in addition to University admission requirements
   A. Make special application to the RN-BSN Program, form supplied in the School of Nursing Office
   B. Provide evidence of graduation from a state-approved school of nursing
   C. Verify licensure or eligibility to apply for licensure as a Registered Nurse in Tennessee
   D. Demonstrate professional liability insurance coverage. Students may elect to purchase malpractice insurance through the school.
   E. Maintain current CPR for Health Care Provider certification throughout the nursing program of study.
   F. Fully complete a University Health History Form and a Physical Examination Form signed by a practitioner qualifying the applicant for nursing education. Provide documentation of current immunizations, including tetanus booster within the past 10 years, an acceptable Hepatitis B titer and Rubella immunization. Documentation of a negative screen for tuberculosis (skin test or chest x-ray) within the past 12 months is required. This data should be submitted on the form supplied by School of Nursing.

III. General Core Curriculum modifications
   A. Composition/Speech*
      ENG 111 and 112—6 hours
      *met through clinical sequence’s oral communication components
   B. MAT 114 is specified
   C. Upper level (300/400 level) Electives—6 hours
   D. Natural Sciences—18 hours
      BIO 211 (or Bacteriology)
      BIO 221-222,* 300
      CHE 105 (or General Chemistry)
      *A student whose basic nursing program integrates Anatomy/Physiology in clinical studies will not be required to take BIO 221-222; however elective hours may be needed to meet the degree minimum of 128 hours.

IV. Prerequisite Course Requirements: included in III. with modifications to General Core—63 hours
V. Major Requirements, 30 hours plus 37 validation hours
   A. NUR 300, successful completion yields validation of academic nursing credits of 37 semester hours
   B. NUR 310, 320, 330, 410, 420, 430, 440; and 2 upper level Nursing electives (6 hours)

VI. Renewal of Tennessee Nursing Licensure (non-degree student)—see the department chair for details.

VII. Assessment of Major
    Nursing majors are required to take National League of Nursing (NLN), or other standardized nursing tests throughout the program of study. During NUR 440, Community Health Nursing a comprehensive baccalaureate standardized test is
given. Student assessments include but are not limited to, communication skills, therapeutic nursing interventions and critical thinking skills.

VIII. Student Organizations and Student Awards, see the School of Nursing section of the Catalogue for details.

IX. Financial Information
   A. $250 per semester hour for all nursing and non-nursing courses in addition to any applicable course fees.
   B. Fees for Challenge Exams (NUR 310, 410) and Clinical Fees are listed in the Catalogue under “Financial Information.”

X. Requirements for Progression/Readmission to the Program—see policies printed in the “School of Nursing” section of the Catalogue.

Course Descriptions of Courses in the Nursing Major

() Hours Credit, F-Fall, W-Winter Term, S-Spring, Ju-June, Jl-July, III-August, E-Even year, O-Odd year

Prerequisite: Admission to RN to BSN Program.
This validation course focuses on role development of the professional nurse and use of the nursing process. Emphasis is placed on holistic nursing care with individuals and families throughout the life cycle in order to assist them in attaining optimal wellness. Critical thinking, therapeutic communication skills, and nursing interventions derived from theory and research are incorporated. Units focus on the physiological and psychosocial dynamics of individuals and families at various levels on the wellness-illness continuum in mental health, maternal-child health, and adult health nursing.

NUR 310. Health Assessment (3) F-Day, F-O-Evening, J: Ju-Day; G: S–Day & Evening
Prerequisite: Admission to the School of Nursing or by permission of the faculty.
The use of the nursing model in developing skills and knowledge related to history taking, assessing the health status of an apparently healthy individual and recognizing deviations from the normal. Communication technique is further developed by emphasis on interviewing skills. Emphasis will be on functional health patterns throughout the life span.

Prerequisite: Admission to the School of Nursing.
An examination of the scientific knowledge base of nursing including an introduction to nursing theories as a basis for nursing practice.

Prerequisite: MAT 114, Admission to the School of Nursing.
The role of the professional nurse in critiquing and utilizing nursing research literature. Critical thinking skills and the steps of scientific inquiry are applied to develop a research project.

NUR 350. Philosophical and Ethical Foundations in Health Care (3) J: To Be Arranged; G: W–Day & Evening
A study of the foundations of philosophy and ethics with emphasis on developing the student’s ability to perform philosophical inquiry and generate philosophical arguments related to ethical issues and concerns in health care.

A study of culturally appropriate and holistic professional nursing care of persons in our pluralistic society placing emphasis on sensitivity to and appreciation of cultural diversity, communication, critical thinking, research and theories of transcultural nursing. Cultural assessment enables the nurse’s understanding of culturally specific factors which influence individual health and illness behaviors.

NUR 355. Spiritual Care in Nursing (3) On Demand
An examination of Christian values as a basis for providing spiritual care to clients and exploration of the role of the professional nurse in providing spiritual care. Resources will include the Bible, nursing literature, clergy, the community and personal spiritual resources.
The biochemical and psychological effects of drugs on the holistic person in a multicultural society. Nursing process with different classifications of drugs is emphasized. Historical, economic, legal and ethical issues are identified.

NUR 420. Issues in Professional Nursing (2) J: W & S-Day; W-E-Evening, Ju-To Be Arranged; G: Ju–Day & Evening
The nurse’s role in change through evaluation of historical and current issues impacting the profession and health care delivery systems. Consideration is given to the legal, ethical and moral obligations of the professional nurse.

Prerequisite: NUR 300.
A study of health care organizational structure and the professional nurse’s role as a patient advocate, leader, manager and change agent. Emphasis is on the application of the theoretical principles of leadership and management in the context of the health care delivery system. Use of the research process is identified as a management tool to test alternative solutions on which to base decision-making.

Prerequisite: BIO 300 and all other required nursing courses.
A culminating nursing experience in diverse community settings. Community, family and individual health needs are assessed using nursing theories, and research and the knowledge from the humanities, biological and social sciences. The nursing process provides the framework for critical thinking and decision-making regarding the health needs of families and communities.

NUR 395-6-7. Special Studies (1-4)
Upper level group studies which do not appear in the regular departmental offerings.

NUR 495-6-7. Independent Study (1-4)
A program of independent study, actively participating in either beginning research or descriptive review of selected topics under direction of a faculty sponsor.

The McAfee School of Business Administration offers the Leadership for Adult Undergraduate Cohorts, LAUNCH, degree completion program designed to meet the needs of working adults. The program allows admitted students to complete the Bachelor of Science in Organizational Leadership, BSOL, degree in 18 months provided all other requirements have been met. The program is for adults with two or more years of college credit and at least two years of relevant work experience. Each student will be a member of a cohort group that will remain together for the 14 courses of the BSOL major, delivered through instructional modules. The BSOL degree is designed to enable adult students to become more effective managers and leaders. The mission of the LAUNCH program is to deliver contemporary business education within a Christian context for adult learners.

I. BSOL Program Admission Requirements
