Expenses

The registration of a student signifies an agreement by the student and his/her parents to fulfill the related financial obligations to the end of the semester in which the student is registered. The University expects that every student will care for his/her account and believes that responsibility for handling the student account is a part of the educational experience as a whole.

All financial information is subject to change without notice.

Expenses Are Due and Payable as Follows:

All expenses for the semester, after subtraction of financial aid awards and allocations, are due and payable before the beginning of classes for that semester.

Payment plans are available if needed, and may be established through the Office of Business Services. Please contact an admissions counselor or the Office of Business Services for details on payment plans.

A 1.5% service charge will be charged monthly on all outstanding student account balances.

Charges for class changes, bookstore charges, dormitory damage, and/or cleaning costs will be billed in a separate statement. Failure of a student to keep payments current will make him/her liable for exclusion from class attendance and from the University. All charges must be paid before a student may (1) take final examinations at any term, (2) receive a diploma or a transcript of grades, or (3) enroll for a subsequent term. Accounts must be paid in full for students to receive a refund or a workship check. Students preregistering for a subsequent semester must have their current account paid in full. Loans which are insured by the state or federal government may be available at your local bank. The University also participates in the Supplemental Educational Opportunity Grant Fund and the Federal Perkins Loan Program.

Tuition and Fees

Tuition for 15–16 credit hours is $5,775 per semester for the Fall and Spring Semesters. For each hour in excess of 16, the charge will be $250 per credit hour. Tuition for those enrolling for fewer than 14 hours will be $385 per credit hour. Music majors taking 16 hours plus an ensemble may request a tuition waiver for the ensemble credit provided that credit is not applicable to their degree.

Tuition for the Winter Term and the Summer Terms is $250 per semester hour of credit.

The Audit fee for any semester or term is $110 per audit hour. Audit does not apply toward graduation.

These charges cover the cost of matriculation and class instruction. The Student Services Fee covers a variety of university costs, including the basic medical fee, admission to many campus-sponsored events (including home athletic contests), post office box rental, student publications, graduation, computer lab fees, etc.

G. Proration of financial assistance upon withdrawal
Institutional assistance awarded a student will be prorated as shown in the above schedule if the student withdraws. Scholarship funds received from sources outside the University will be used to satisfy any remaining balance a student may owe unless specified by the source to be returned in full or in part. Withdrawal occurring on or before the 60% period of enrollment, calculated using calendar days, will require a portion of Title IV funds awarded (Pell Grant, Supplemental Educational Opportunity Grant, Federal Perkins Loan, Federal Stafford Loan, Federal PLUS Loan, but not Federal Work Study) be returned in accordance with provisions of the Higher Education Amendments of 1998. This may result in the student owing a balance to Union University and/or to the Federal Government.

Policies and Procedures Governing Student Financial Assistance
1. Recipients of financial assistance from the University are required to notify the Financial Aid Office of any other scholarships, loans or other assistance extended to them from sources outside the University.
2. The following requirements must be met in order to continue receiving certain financial assistance:
   a. Academic Scholarship—maintain 3.0 following completion of Fall/Spring semesters of freshman year.
   b. Scholarships are awarded for a maximum of eight semesters.
   c. Church Related Vocation Scholarship—maintain 2.0 and comply with inservice requirements.
   d. Junior College Scholarship—maintain 2.5 GPA for $1000 scholarship; maintain 3.0 GPA for $1250 or $1500 scholarship.
   e. Federal Funds—maintain 1.25 GPA with under 39 credit hours earned; maintain 2.0 GPA with 39 or more credit hours earned. If a student loses eligibility for federal funds due to unsatisfactory academic progress, appeal may be made through the Financial Aid Office.
3. Award amount for Workship/Work Study is the amount a student may expect to earn during the academic year as a result of work performed and the hours necessary to perform such work. Students must report to the Financial Aid Office upon arrival on campus for job assignment and clearance.
4. It is the policy of the University to disburse one half of awards (excluding Workship/Work Study) per semester enrolled (Fall and Spring).
5. Students receiving financial aid must be enrolled full time (at least 12 hours) to receive the maximum amount of federal loans or grants. Awards will be adjusted for students who are enrolled for less than 12 hours.
6. Any commitment of federal funds (Pell Grant, Supplemental Educational Opportunity Grant or Perkins Loan) or state funds (Tennessee Student Assistance Award) is tentative and contingent upon subsequent congressional and/or state
appropriation and actual receipt of the funds by Union University.

7. Financial assistance will be adjusted should a student withdraw from all classes, according to the Refund Policy of Union University published in the current Catalogue and federal law which may apply. Examples of the calculation of the refund and/or return of financial assistance are available in the Financial Aid Office.

8. Any student receiving a Federal Perkins Loan or Federal Stafford Loan will be notified to schedule an appointment for a conference to discuss repayment of the loan prior to graduation or withdrawal from the University.

9. Financial need will be reevaluated each year and appropriate increase or decrease in the amount of assistance offered will be made. For the purpose of reevaluation, all students must submit a Reapplication for Financial Assistance to the Financial Aid Office no later than May 1. Students wishing to reapply for federal funds must also file the FAFSA or Renewal FAFSA. It is the student’s responsibility to secure the necessary forms and apply by the deadline.

10. The Financial Aid Office reserves the right on behalf of the University to review and cancel an award at any time because of changes in financial, enrollment, or academic status; changes of academic program; or because of the recipient’s failure to observe reasonable standards of citizenship.

How to Obtain a Credit of Institutional Charges

In order to obtain a credit of institutional charges, a student must notify Union Station in person or the Academic Center in writing of his/her desire to withdraw from the university, the reason for withdrawing, and indicate the last day which he attended class. This information will be recorded on a withdrawal record and passed on to the Office of Business Services and the Financial Aid Office for calculation of credit of institutional charges and adjustment of financial assistance.

Equipment

Any University equipment such as musical instruments, athletic equipment, laboratory apparatus, etc., that may be made available for students’ use is the responsibility of the student. Any damage or breakage, other than by normal use, will be charged to the student’s account.

No equipment is to leave the campus, unless in care of the faculty member responsible for it.

Financial Assistance

Union offers several types of scholarships which are awarded on different bases such as academics, performance, athletics, leadership ability and financial need. After receiving a scholarship, the student must maintain a cumulative grade point average as required by the specific scholarship. All applications for scholarships and grants-in-aid must be processed through the chairman of the Scholarship and Grants-in-Aid Committee. Policy and procedures for administration of financial aid are published in the financial aid handbook, Financing Your Education, available in the Financial Aid Office.

VETERANS: Union University is approved by the Department of Veterans Affairs for all veterans and dependents of veterans who qualify. Check with the Academic Center as soon as possible after arriving at the campus.

SCHOLARSHIP CONSIDERATION FOR CHILDREN OF INTERNATIONAL MISSION BOARD MISSIONARIES: The children of IMB missionaries who wish to attend Union University will be given the following consideration:

1. The University will guarantee any student indicated above a full tuition scholarship for Fall and Spring Semesters for a maximum of 16 hours per semester. The following will be applied toward the tuition: MK Post Secondary (basic allow-
ance) and all applicable institutional aid.

2. In addition to (1), any student meeting the qualifications above may receive a short-term scholarship for 6 semester hours to be taken in one Winter, Summer I or II Term per year. Inquiries should be made to the Director of Financial Aid.

3. If the student qualifies for additional aid from Union University or federal or state aid, this support will be expected to help satisfy the tuition expenses at Union University. Any monies received from these sources over and above tuition expenses at Union may be applied to the other expenses at the University such as room, board and textbooks. If these additional funds are not available, the student will be expected to pay for his/her expenses above those covered by the University.

4. In keeping with Union’s institutional policy, no student will be overfunded beyond tuition, textbooks, room and board.
