STEPHEN OLFORD (1918-2004) was one of the world’s most dynamic Christian leaders of the 20th Century. Throughout his life, he taught boldly and effectively about the importance of expository preaching, evangelistic teaching and spiritual growth. These essential building blocks are necessary for life-changing power in the church. Take advantage of these valuable opportunities for exploring these issues.

Join us at Union University’s Stephen Olford Center for our 2009 Institutes
