EVERY NATION, TRIBE, AND TONGUE

Every Nation, Tribe, and Tongue
Revelation 7:9-10
Carla R. - North Africa
Prayer Requests:
1. Ask that I will grow deeper in the Word and in my knowledge and understanding of the beliefs of the people so that I “will not distort the word of God, but set forth the Truth plainly…” (2 Corinthians 4:2)
2. As I continue with language study, pray that I will be disciplined to study and intentionally spend time with the girls that I have met. Pray that God will continue to allow me to relate to each of them in a special way as they share their dreams and goals with me. May I be able to communicate clearly what it means to be a “princess of the King.”
3. Pray that God will give me a deeper passion during my last few months to LIVE EVERY DAY TO THE FULLEST—WITH NO REGRETS!

3. Pray that new Christians will receive intense, solid discipleship by the local Brazilian churches.

Julie Bradfield
At the time of publication, Julie is completing the application and interview process to serve as a Journeyman. This month she arrives on the field.

Prayer Requests:

1. Having just arrived, Julie will encounter a new culture and people. Pray that God will give her insights into the culture so that she can share and live out the Gospel in culturally appropriate ways.

2. As she begins learning a new language, pray that God will give her exceptional abilities to acquire and to use these languages for the purpose of sharing the Gospel.

3. Pray that Julie will remain sensitive—moment by moment—to the leadership of the Holy Spirit so that her life will bring honor and glory to God.
Lisa S. - South Asia

Prayer Requests:

1. In an extremely pluralistic society where truth is relative to each person and every god is seen as leading to the true God, ask that the lies of the Enemy would be revealed, and that people would confess Jesus Christ as "the Way, the Truth and the Life." (John 14:6)

2. Pray for the 0.1% of the people in my city who claim to be Christians. Ask that the Church of this great City would gain a passion for knowing God and making Him known among their people.

3. Ask that my attitude and life would be the same as that of Jesus. Pray that I will cling to His Word for strength and guidance each day, recognizing that I can do nothing on my own.

Prayer Requests:
1. Pray for the university students that I will daily encounter. They are my target people group. Pray that they will be a passionate generation eager to know God and to make Him known.
2. Pray that I will quickly learn the language! I will be learning the national language because of my work with the students. In my city, the people speak a different heart language, and I want to be able to communicate with them in their native tongue.
3. Pray that I will remain safe as I use public transportation daily. It is quite a scary adventure most days!

**Jay P. - Southeast Asia**

**Prayer Requests:**

1. Pray that God’s Name will go forth among the 2 million Rohingya people (no known Christians) and the 4 million Rakhine people (four known Christians in my country).
2. Ask God to send out more workers to join in what He is already doing among the Rohingya and Rakhine.
3. Pray that God will open doors for us to make contact with the leaders of the 300 Rakhine (65 families) who have recently become Christians. They are in another country and are currently in hiding from the local government.
