The following is a brief description of campus life at Union University and the various organizations and services that contribute to its unique community. A more complete list of campus organizations and resources is available at www.uu.edu/studentlife.

**Barefoots Joe and Modero Coffee Roasters**

Barefoots Joe, located in the Student Union Building, and Modero, located in The Logos library, are Union’s two specialty coffee shops. Each provides single-origin coffees and espresso blends that are roasted in-house, as well as a full range of espresso drinks, teas, smoothies, coffee sodas, and other drinks. We serve pastries in both shops, and a rotating menu of artisan foods in Modero. Barefoots Joe and Modero provide the community with places to converse with others and to read, think, and reflect about the matters of the classroom and beyond. While both shops aim to promote the arts, Barefoots is uniquely situated as a venue to invite more substantial engagement through hosting concerts and art exhibits, as well as a number of student events focused on the arts. Barefoots hosts events once or twice a month.

**Christian Life and Activities**

Union University is committed to the spiritual growth and development of each person on campus. Understanding that faith development and academic achievement go hand in hand, Union provides an excellent atmosphere as well as ongoing activities that stimulate a Christ-centered worldview and a life of discipleship.

The Office of University Ministries encourages each student to grow in a personal relationship with Jesus Christ and in service to Him, thereby learning to love God and their neighbor. Activities include chapel services; Life Groups (a small group ministry for new students involving Bible study, discussion, and accountability); short-term mission projects through “Global Opportunities” trips; Campus and Community Day service projects; and off-campus ministries working with children, youth, adults, and senior adults. Also, Christian organizations providing fellowship and activities for students are available.

The Missionary-In-Residence Program brings a missionary family on stateside assignment from the international field to live on campus. To expose students to world missions, the
missionaries speak on campus, counsel students interested in missions, and promote the Lottie Moon offering in West Tennessee Southern Baptist churches.

Chapel and Lecture Series
The University holds chapel services twice weekly. Through these times, students, faculty and staff worship collectively and receive spiritual encouragement, moral guidance, and intellectual challenge. The worship of God and the integration of faith and learning and living are encouraged through events such as Faith and Practice Week, Global Opportunities Week, and the Crabtree Lectures on Marriage and Family.

Vocatio Center for Life Calling and Career

The Vocatio Center exists to help students understand more clearly who God has uniquely created them to be and to assist them in discovering opportunities to live out their life calling in service to God and others. We do this through three objectives: Discover Your Calling: Who Are You?

God has created each of us with distinct gifts and passions, and our desire is to see every student steward their gifts and passions well! Toward that end, the Vocatio Center offers gifts and personality assessments (MBTI/Strong Interest Inventory) and career counseling. Additionally, the Vocatio Center staff offers the “What Can I Do with a Major In...?” discipline-specific workshop series to help students understand the many career options available in their chosen major.

Respond to Your Calling: Career Development

Once you have discovered your calling, we want to help you respond to your calling through career development. We offer résumé and cover letter critiques, graduate school research and assistance, job search strategies, and résumé referral services via UUConnect. Additionally, we offer co-curricular workshops for pre-professional development (résumés, job search, interviewing/salary negotiation, etc.) including Backpack to Briefcase, and fall recruitment events designed to expose you to internship, shadowing, and camp opportunities. Lastly, the Vocatio Center houses the Servant Leadership Program, which is Union’s work study and workshop program to help students gain work experience and transferrable skills on campus.

Live Out Your Calling: Landing the Job

Finally, our ultimate goal is to help you live out your calling by landing the job! Each spring we host our College to Career: Education and Professionals Expo along with other networking events throughout the year, and we host on-campus recruitment with formal and informal interviews offered throughout each semester. In addition, we offer interview preparation, job search/networking strategies, and salary negotiation helps.
