ANCIENT TEXT: FRESH TOUCH

REVIVAL AND THE WORD OF GOD

For thousands of years, the Bible has been both source and destination for authentic revival among the people of God. The Bible is a source of renewal, used by the Holy Spirit, drawing God's people back unto Him. And the Bible is the destination for a revived people, driven to the Word by their renewed passion for God. We invite you to join us as we seek God together for a fresh touch from an ancient text.
