**GREETINGS FELLOW UNIONITES**

Make plans to come back home this year for a special weekend of events celebrating all that God has done, is doing and will do at Union University. There will be special events to look back at significant times in our history as we celebrate class reunions and the 40-year anniversary of the campus move north of I-40. We can join together to celebrate what is taking place currently on the campus as we dedicate the new library facility and watch our NCAA DII athletes compete. After a weekend together, you will have a renewed sense of excitement at what the future holds for our alma mater. Call your classmates and your old roommates. Send word to your pledge class and your old research partner. There is no better time than now to make your trip back home.
