WORD WITHIN THE WORD

THE NEW TESTAMENT USE OF THE OLD TESTAMENT

Friday & Saturday,
April 24-25, 2009

R.C. RYAN CENTER for
BIBLICAL STUDIES
at UNION UNIVERSITY

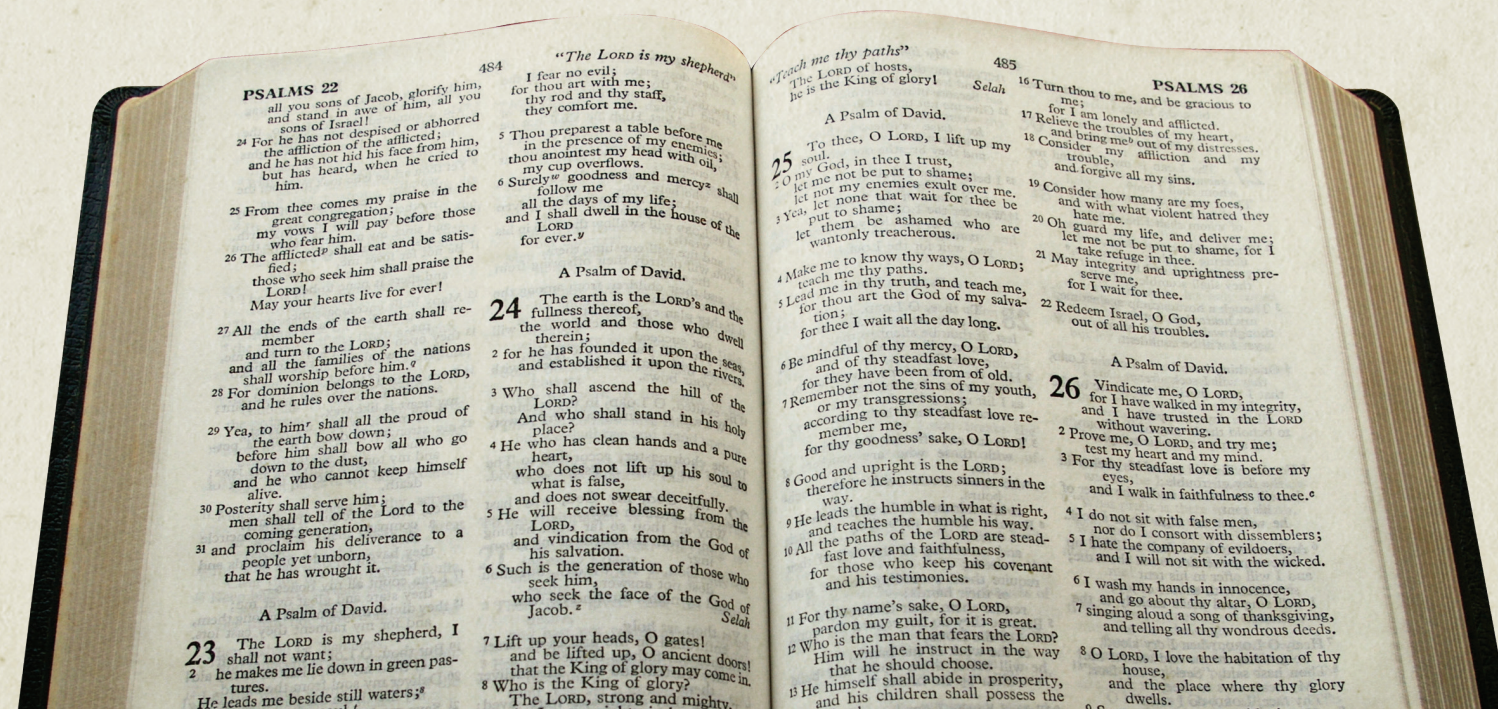

Jackson, Tennessee

DO YOU OR THOSE IN YOUR CHURCH STRUGGLE WITH HOW THE OLD AND NEW TESTAMENTS FIT TOGETHER?

Commonly Christians find themselves frustrated in the effort to see how the Old Testament connects to the New Testament, to understand how it points to Christ, and even to know what it means for everyday living. We can learn a lot on these questions by noticing how the New Testament authors use the Old Testament. The New Testament often quotes and alludes to the Old Testament providing insight into how the apostles under the inspiration of the Holy Spirit interpreted the Old Testament. This issue and more will be addressed at the Ryan Center's fourth bi-annual conference *Word Within the Word: The New Testament Use of the Old Testament*.

We are blessed to have an amazing group of Bible teachers with us this year. It will be an excellent opportunity for training pastors, Sunday school teachers, Bible study leaders and anyone who wants to read the Bible well. Our desire is to provide tools that might enhance the reading and studying of the Bible in the churches that we might know more of its life-giving power and see a renewal among us.
