

The Crucified Beauty that will Save the World

October 20 | 7-9 PM | Grant Events Center

Presented by The Institute for Intellectual Discipleship

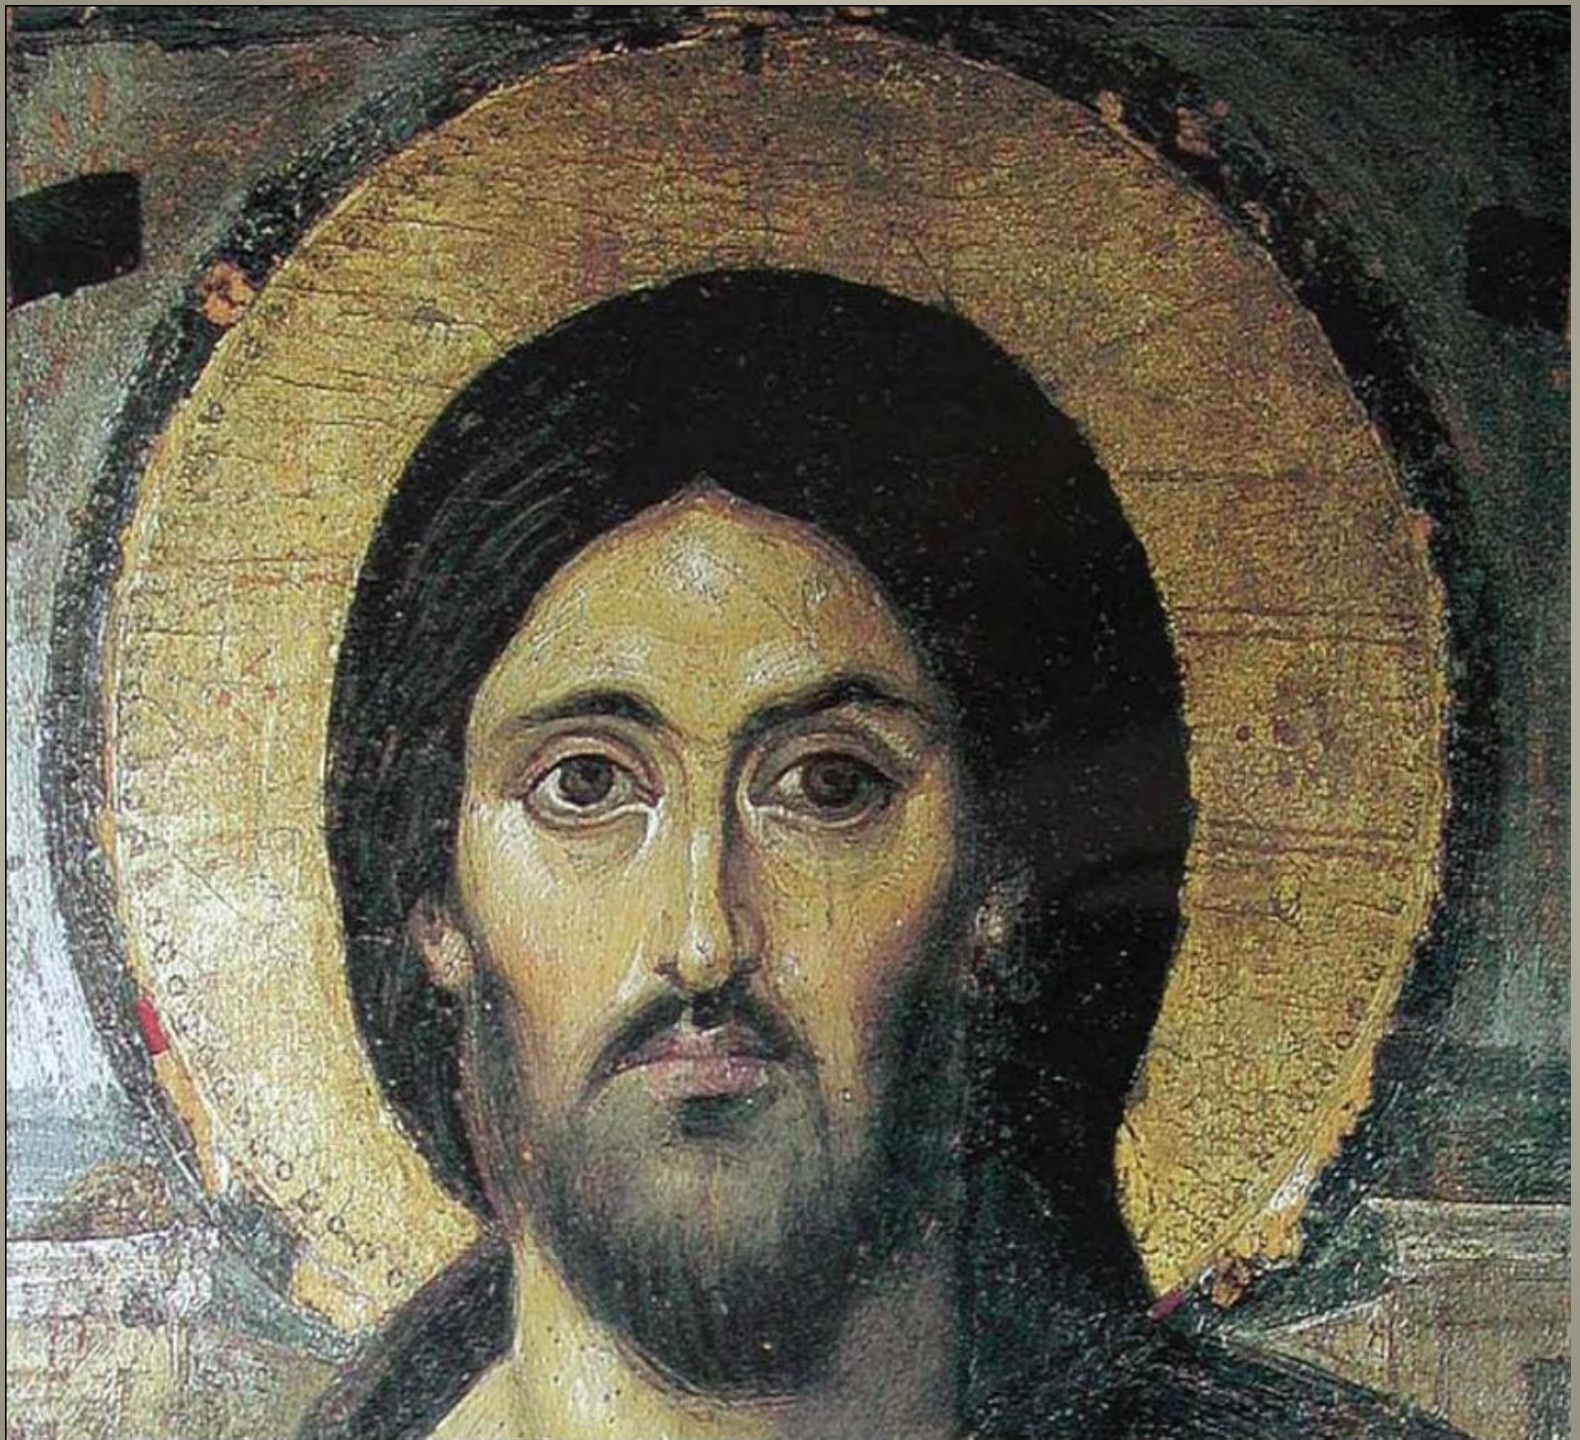

SPEAKER

Dr. Ralph C. Wood

Professor of Theology
and Literature
Baylor University

The President of Argentina received this picture and called it "junk mail." Eight days later his son died . A man received this picture & immediately sent out copies. His surprise was winning the lottery. Alberto Martinez received this picture, gave it to his secretary to make copies but they forgot to distribute. She lost her job & he lost his family. This picture is miraculous & sacred.
