Dear Dr. Mark Stephens and Dr. Kim Lindsey-Goodrich:

I would like to request the opportunity to serve as a Clinical Preceptor for the Union University College of Pharmacy. I understand that Union University and ACPE have high standards and expectations regarding preceptors. As a preceptor, I am committed to:

Serving my profession and my patients by:

- Positively representing and advocating for the profession of pharmacy
- Practicing ethically and with compassion for patients
- Accepting personal responsibility for patient outcomes
- Demonstrating a willingness and ability to advocate for patients
- Utilizing scientific literature in patient care decision-making with a goal of providing evidence-based care
- Creatively thinking to foster innovative approaches to problem solving
- Educating and communicating effectively with patients, caregivers, healthcare professionals, and others

Serving students by:

- Being a positive role model and mentor for students
- Facilitating learning experiences that allow students to advance their knowledge, practice skills, and professional attitudes and values
- Helping students become active, self-directed, life-long learners as I model the same
- Continually communicating effectively with students to provide constructive feedback
- Accurately and honestly assessing and documenting student performance in a timely manner

I am also committed to providing an average of 1 to 2 hours per day of direct interaction with students to accomplish course goals.

Thank you for your consideration.

Sincerely,
