Dear Dr. Mark Stephens and Dr. Kim Lindsey-Goodrich:

I am providing this letter in support of \_\_\_\_\_ serving as a Clinical Preceptor for the Union University College of Pharmacy. I understand that Union University and ACPE have high standards and expectations regarding preceptors. This person has demonstrated the ability to serve as a preceptor and positive role model for students by:

Serving his/her profession and patients by:

- Positively representing and advocating for the profession of pharmacy
- Practicing ethically and with compassion for patients
- Accepting personal responsibility for patient outcomes
- Demonstrating a willingness and ability to advocate for patients
- Utilizing scientific literature in patient care decision-making with a goal of providing evidence-based care
- Creatively thinking to foster innovative approaches to problem solving
- Educating and communicating effectively with patients, caregivers, healthcare professionals, and others

Serving his/her students or personnel by:

- Being a positive role model and mentor for students or personnel
- Facilitating learning experiences that allow students or personnel to advance their knowledge, practice skills, and professional attitudes and values
- Helping students or personnel become active, self-directed, life-long learners while modeling the same
- Continually communicating effectively with students or personnel to provide constructive feedback
- Accurately and honestly assessing and documenting student or personnel performance in a timely manner

I also support this pharmacist's commitment to providing an average of 1 to 2 hours per day of direct interaction with students to accomplish course goals.

Thank you for your consideration.

Sincerely,
