College Student Health Benefits Program

For Full-time and Part-time Students

Union University is partnering with Benalign to offer our students easy access to a perks and non-traditional benefits program. Benalign offers access to consumer discounts and perks AND curated, voluntary insured and non-insured benefits, designed to help students with daily living, as well as when it's time for a major expense.

Use the QR Code below to register for the program and download the app to access the Benalign Hub. Then you can sign up for individual, voluntary benefits designed to target your unspoken needs!
