

# EXPLORE

## HEALTH SCIENCES

**\$150** camp fee covers the entire experience: your dorm room, food, and all activity supplies. Just bring a pair of black scrub pants. We will supply the top of your uniform.

Have you considered pursuing a career in a health-related field?

Have you wondered what it's like to be a nurse, a pharmacist, or other health practitioner?

# JUNE 9-12, 2019

AT UNION UNIVERSITY

Union's College of Nursing and College of Pharmacy are teaming up to offer junior and senior high school students the chance to EXPLORE training and careers in nursing and pharmacy. Come and EXPLORE three days and three nights of hands-on, real-life training and exploration – from the pharmacy compounding labs and nursing sim labs to on-site interactions with local professionals and much, much more.
