# Roll Call of Contributors

The life and work of every great institution are shaped significantly by the influence of concerned individuals or organizations who believe deeply in the institution's mission and who invest generously in its work. Members of the Leadership Societies annually or over their lifetime contribute vital support to general needs or make generous contributions to specific programs. They are helping to ensure Union University's future as a leading private Christian institution of higher education.

Union gratefully acknowledges in the following pages those who made gifts between September 1, 1999 and August 31, 2000. Donors who have requested anonymity are not listed.

The University also wishes to express deep appreciation to the many volunteer and support groups whose members generously contribute their time and other resources to Union. The University is honored to list the members of these groups.

Every effort has been made to provide correct information; however, it is possible that some names may have been listed incorrectly or omitted. If this is the case, we apologize and ask that you notify the Office of Institutional Advancement at (901) 661-5050 or toll free 800-338-6644, so that we might include such corrections in a future issue of the *Unionite*.
